

**REPORT CARDS**

The Yale Board of Education believes that students and parents should be informed periodically of the student's progress in school work. Therefore, report cards shall be made available to parents or guardians at the end of each nine week period. The parent or guardian may be requested to acknowledge receipt by signature and return the card.

Progress reports will be sent home as needed and additional reports, telephone calls, or personal visits may be scheduled if in the best interest of the student.

Progress reports may be distributed or issued at the discretion of parents, guardians, teachers, administrators or students at any time. Yale Public Schools will provide a link for parents to access their student's grades.
