

**REGIONAL SCHOOL UNIT #38
STUDENT MEDIA RELEASE FORM**

To publicize the achievements of our students, we occasionally publish students' names, photographs, and academic/extracurricular achievements in a variety of media formats such as: school notices, our web site, the local newspapers (web and paper copy), video tape, and television. Since most media outlets (TV, newspapers, etc.) now automatically provide their news in both paper and web formats, we are no longer able to provide you with the option of not having the image appear on the web.

We will continue to publish your child's image in the school yearbook since that is considered a school historical document which we preserve permanently. We also will have your child's photo taken annually for our student information system, PowerSchool, which is also part of the permanent student record. Honor Roll is also considered part of school record and will be published in the local newspaper.

Please fill out the information below indicating your preferences and return this form as soon as possible.
