

**SCHOOL COUNSELOR**

The school counselor is a member of the teaching team. The counselor is concerned for the welfare of the child, instructional goals of the teachers, and communication between home, school, and the community. The counselor is available to assist students in making better decisions, obtaining career information, and scheduling plans of study, and obtaining information on post-secondary education.

Student referrals to the school counselor are made by the principal and teachers. Parents wishing a conference may contact the counselor during the day. Students may make arrangements to visit the counselor through their homeroom teachers.
