Deep Breath, Joy, & Connection Continued.....

I hope you received the video and letter from Thursday and that it was helpful in clearing up some confusion. I want to continue the theme of finding joy and celebrating the positive. Each year as we start school we teach routines and expectations. I'm happy to report that our arrival and dismissal procedures have been learned at this point and are working as perfect as possible. Great work out of all of us! We have students who are coming back to school from quarantine early next week and we are planning on sports teams being active (practice and games) again on Wednesday (the 22nd). ALL POSITIVE!

This week forced us to think about virtual learning again. We do not have Edmentum this year so all of the online learning will be directly from our curriculum and teacher created resources. It was hectic because it was the first week of school and was also a great reminder to dust those virtual plans off!

Students and teachers are happy to be together and connected again and we will all continue to find ways to connect with each other and find the joy in what we do have to celebrate around us. Thank you for your continued support of our students, staff, and school community. We are thankful for YOU!

### Bus Notes

Hello parents. This is a friendly reminder to send complete notes to your child's teacher for any changes in your child's after school plans. It's important to have the **date, teacher's name, child and parent/ guardian's full names and bus # and address where the child is going.**

Example:

Date

Dear Ms. Teacher's Name,

Johnny Smith will be taking bus 3 to Grandmother Jones' house at 22 River Road after school today.

### BRES Tardy Policy

#### **A Section From the BRES Handbook Regarding Tardy Policy**

Parents are obligated to call the school from 7 to 8 am on the days their child will not be present, if you do not call, your child's absence will be recorded as unexcused.

Our bell rings at 7:45. Students who arrive after 7:50 will need to check in with the staff in the front office.

Students who arrive after 10 am will be considered present for a half-day. Students who are dismissed after 10 am will be marked present for a half-day. Students who enter school after 1 pm will be marked absent for the entire day.

Students who arrive after 9:30 am will not be allowed to participate in after school activities. Exceptions will be granted if the tardiness is due to appointments that could not be scheduled outside of school hours. Parents are urged to make medical appointments outside of school hours.

## WE NEED YOUR HELP WITH POWER SCHOOL

Please be sure that you have been on PowerSchool to update your information and sign our forms. It's important that we have up to date contact information for you and that our forms are signed. At this point, we still have students who cannot take devices home because we do not have your signature on the Acceptable Use Policy (AUP). As we have students in quarantine and needing devices, this is a problem! The AUP can be found here <https://5il.co/z6v7>. This is also part of the paperwork that you sign in Power School.

For parents who have a PowerSchool log-in from last year, please use this link [aos98.powerschool.com](https://aos98.powerschool.com) to log into PowerSchool and update contact information and new school year forms. If you don't remember your username/password you can click the 'Forgot link' at the bottom of the page and get a reset email sent to you.

For parents that don't have accounts yet, we have printed paper copies of the ID sheets along with directions on setting up an account that was sent home with your child(ren) the first week of school. If you need that information again, please reach out to the school 633.5097 or contact Zach Gray at [zgray@aos98schools.org](mailto:zgray@aos98schools.org)

Thank you for your continued support earning cash for our school.
