September 17, 2021

Dear Maple Run Community –

This letter is to provide a few updates and to continue to be transparent with our Maple Run families. The district has received a lot of positive feedback from the responses for Surveillance Testing and COVID-19 Vaccine Attestations.

Originally, surveillance testing was scheduled to begin Monday the 20th, but because of some glitches in the state's technology it will need to be postponed. Surveillance testing for students will begin the following Monday, September 27<sup>th</sup>. Please note, staff will not force students to administer the test if they refuse. You may opt your child out of testing at any time by emailing [covidtesting@maplerun.org](mailto:covidtesting@maplerun.org). I also wanted to share that as of today, MRUSD staff is at 95% for COVID-19 Vaccinations received. If your child has been vaccinated for COVID-19, please remember to complete the [Student Vaccination Attestation Form](#) and return it to your school nurse with a copy of the COVID Vaccination Record Card.

Thank you again for continuing to work collaboratively with us to keep our schools safe and children in their classrooms.

Sincerely,

A handwritten signature in blue ink that reads "Bill Kimball".

Bill Kimball
