1. Tour Union School & Teacherage

Presenter: SUSAN WARNER

Mrs. Warner gave a tour of the Union School Facilities. We were unable to tour the teacherage. She explained that John Roberts has done a lot of work in the past months removing weeds, brush and unwanted landscaping from the playground. She explained that the parents club hopes to be able to remove old playground equipment this spring or summer and replace it with newer, safer, more age appropriate equipment. Mrs. Warner recognized the hard work of Bob Pardue, who keeps the field in good condition. She pointed out that the exterior of the buildings needs painting. We viewed the new basketball hoops in the gym as well as the new structure on the South side of the building which will eliminate the build-up of snow on the building that would come through the door and damaged the gym floor. Mrs. Warner gave a tour of the classrooms, basement area which has been cleaned and is now being used more for counseling services, study groups etc. We also toured the new library. Mrs. Warner explained that the Westside Parents club spent a large amount of time building shelves, painting and purchased materials for the new library. The School Board commended them on their hard work. Mrs. Warner explained that the students love their new library and take care of it.
