Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Floyd Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Rod Dishaw for assistance.

The AER is available for you to review electronically by visiting the following web site www.bccreek.k12.mi.us, or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Floyd Elementary School was not given any of these designations as of the date of this letter.

As you look at the combined data report you will see that our school has made significant achievement gains in the past few years. One area we will continue to work on is in the area of Mathematics. Adoption of the "Math Lab" model, which has proven successful in other elementary schools, has given us wonderful internal data this year and we hope to see a nice increase in achievement in this year

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL – Students are assigned to our school based on geographical boundaries designated by the district.
2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN – We are currently in the first year of a two year school improvement plan.
3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL – Floyd Elementary offers Nature programming for our Kindergarten and First grade students.
4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL – A copy of the core curriculum can be obtained by contacting the school office and we will be pleased to make a copy of it for you.
5. THE AGGREGATE STUDENT ACHIEVEMENT:
