

District Annual Education Report (AER) Cover Letter

August 18, 2013

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for the Bullock Creek School District and our schools. The AER addresses the complex reporting information required by Federal and some requirements of State laws. Our staff is available to help you understand this information. Please contact Charles Schwedler for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site www.bccreek.k12.mi.us or you may review a copy in the principal's office at your child's school.

The report contains the following information:

Student Assessment Data – Elementary or middle school assessment results on the Michigan Educational Assessment Program (MEAP), high school assessment results on Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access or MEAP-Access)

- Presents achievement data for all five tested subjects (mathematics, reading, science, social studies and writing) compared to targets for all students as well as subgroups of students.
- Helps parents understand achievement progress within schools and compare these to district and State achievement.

Accountability Scorecard – Detail Data and Status

Information is provided for the district and each school related to achievement targets in reading, writing, mathematics, science and social studies answering questions like:

- Did the district (and schools) meet achievement targets for all students and subgroups of students?
- Did the district (and schools) meet achievement growth targets for all students and subgroups of students?

BULLOCK CREEK HIGH SCHOOL
Phone 631-2340

BULLOCK CREEK MIDDLE SCHOOL
Phone 631-9260

BULLOCK CREEK ELEMENTARY
Phone 832-8691

FLOYD ELEMENTARY
Phone 832-2081

PINE RIVER ELEMENTARY
Phone 631-5121

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides State results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases no status label is given.

School Name	Status Label	Key initiative to accelerate achievement
Bullock Creek Elementary	No Status	Instructional Consultation Teams
Pine River Elementary	No Status	Instructional Consultation Teams
Floyd Elementary School	No Status	Diagnostic Reading and Math Lab
Bullock Creek Middle	No Status	Targeted At Risk Intervention Math
Bullock Creek High	No Status	Credit Recovery

Dear Bullock Creek Community:

Springtime; a state or time of great activity, thriving or achievement. So what is happening in our schools to warrant this description??? Plenty!!!

Staff

We have been able to hire some fantastic new professional staff this summer. They include;

Kristy Chaffin, a graduate from Grand Valley, who will be teaching physical education at Floyd Elementary; Emily Fiting, a graduate from Saginaw Valley, who will be teaching special education at BCMS; and Ashley Meyer, a graduate from Saginaw Valley, who will be teaching At Risk Math at BCMS and BCHS.

Additionally, much of our staff has been involved in training this summer to enhance their teaching skills and prepare for the upcoming school year.

Construction

You will be amazed and pleased as you step through all five of our buildings this fall! We have repaired roofs, remodeled entrances to enhance safety and added energy efficient lighting and doors, to highlight a few of the projects. All of this work, as well as the purchase of busses and technology have been made possible by the Bond Issue passed in 2009. No general funds have been used for any of these projects. I am very proud of this fact; our community cares about our kids and puts a priority on their education and safety!

Technology

Bullock Creek currently has targeted wireless coverage in each of its buildings. New for the 2013-14 school year, we are implementing a new wireless network that will provide full coverage for every classroom in every building. This will allow for more wireless equipment such as laptops and tablets to be used seamlessly throughout every building (paid for out of a State of Michigan Grant).

We are bringing in more tablets, specifically iPads, into the District. The current focus for tablet use has been in lower elementary with several dozen shared across multiple classrooms. This year will introduce two classroom “sets” at the middle school and expand usage at the elementary building (paid for with Bond funds). Additionally, we are partnering with TechSmith to train teachers to more effectively use technology in the classroom. The District is also

implementing additional camera systems on our school bus fleet. This summer we are implementing new building surveillance and security equipment including cameras, card access and remote locking functionality (paid for with Bond funds).

Partnerships

Chippewa Nature Center – Thanks to the generosity of the Dow Family Foundation, The Saginaw Bay Watershed Initiative and 3M we have been able to expand our already amazing partnership with the Chippewa Nature Center to enhance our STEM (Science, Engineering and Math) education using nature as our vehicle. Some examples of this partnership include teacher training, summer school, visits to the CNC, visits from the CNC naturalist, weeklong programs at the CNC and of course the expansion of our one of a kind Nature Kindergarten at Floyd Elementary.

Dow Chemical Company – We have also begun a STEM partnership with The Dow Chemical Company Michigan Operations. Our Goal; professional development, career development in STEM related fields and improvement of our Science scores. This past summer we had several teachers attend seminars at the Smithsonian Institute and Keystone University for specialized training, all sponsored by Dow. Additionally, we will be meeting this month to continue our planning for the 2013-2014 school year.

It's a great Day to be a Lancer!!

Charles F. Schwedler, Superintendent
