Athletics

- The varsity equestrian team ended their season this weekend as they finished just 2-points away from qualifying for regionals. Despite narrowly missing out on regionals, it was a successful season for the Aggies as newcomers Isabella Schuldt and TJ Moore stepped up and made great contributions to the team in a variety of events this year. Returning sophomore Denae Covey in the rail events and Scout Robinson in jumping and speed events built upon their success from last season. Jerzie Robinson provided great leadership and selflessness for the team as the only senior. In the final ride of her career, Jerzie and her sister Scout, once again placed first in the two-person relay. Great season Aggies.
