4:30 PM

Agenda

1. Discuss the possibility of storing Narcan on LISD campus for the possibility of Fentanyl and opioid overdose.
 - a. If approved, discussion of LISD district policy for Narcan will be discussed.
 - b. Cost: approximately \$141/2 nasal sprays.
 - c. OTC mediation
 - d. Works quickly; 2-3 minutes will determine if overdose is reversed as it blocks the effects of opioids.
 - e. OK to give even if person doesn't need it. If over dose is suspected, it is safe to give.
 - f. Only reverses effects of opioid overdose (Fentanyl, Vicodin, Heroin, OxyContin). Will not reverse side effects from non-opioid drugs (cocaine), or alcohol.
