

Kurtz Elementary PTA  
General Membership Meeting  
Wednesday, May 9, 2019

- Meeting called to order at 7:07 pm

#### **Old Business:**

- Approved by Mr. Chisik and seconded by Mrs. Hornyak

#### **New Business:**

- Amendment to extend terms to 3 years to keep consistency - still will vote every year

#### **Committee Reports:**

- Family Fun Night - coming up May 31st from 5-8 p.m. Bounce house, face painting, photo booth, tatoos, carnival games, baskets and raffles. Possible a jail and bail for teachers and Mr. Chisik. Auction items will be cash or Venmo only.
- Spirit wear - looking into another company for spirit wear because of the shipping charges. Heart Graphics charged a huge shipping charge and we will not be using them again next year.
- Assemblies coming up - May 14th and 15th will be a bug assembly
- Still looking for Fun Run chair for the fall
- Donors Choose - Projects are out there to be funded. A lot of matches going on during Teacher Appreciation Week. PTA will put \$200 toward Mr. Maulers Lego Robotics project.
- Teacher Appreciation week is going great this week. - \$60-\$70 from hat day to use toward gift cards. A concern was brought up about bringing teachers something for everyday. It seems overwhelming sometimes to parents when a lot of things are coming home all at once - Teacher appreciation, family fun night, etc.
- Golden tickets - to increase popcorn sales, thinking about .50 a bag or \$10 for the pre-paid instead of \$5. If increasing the cost of popcorn, the money will go toward a new machine.
- Update on the bounce house - Four bounce houses are being donated for field day
- Tiger's game - 121 tickets have been sold

#### **Chisik Chat:**

- Met with the rep about the media center furniture. We got subpar furniture and now we are getting new furniture that will last for years.
- As we transition into the summer, we are thinking about our 50 year celebration for Kurtz. Our theme will be Make Your Mark.
- We are trying to get our hands on some past pictures from Kurtz.
- Mrs. Kascar is working on putting a mural together of past and present students.
- Mr. Chisik shared the student and parent survey

### **Teacher Talk**

- How much money did we get from McDonalds? \$435.00 How are teachers getting the money? It will go toward our stipend for next year.
- Thank you so much for the great Teacher Appreciation Week. We are all grateful for everything.
- Classroom baskets - parents will take it over - remind parent to tally up the total value of the basket.

Meeting adjourned at 8:41 p.m.
