Policy 603

603 CURRICULUM DEVELOPMENT

I. PURPOSE

The purpose of this policy is to provide direction for continuous review and improvement of the school curriculum.

II. GENERAL STATEMENT OF POLICY

Curriculum development shall be directed toward the fulfillment of the goals and objectives of the education program of the school district.

III. RESPONSIBILITY

- A. The superintendent shall be responsible for curriculum development and for determining the most effective way of conducting research on the school district's curriculum needs and establishing a long-range curriculum development program. Timelines shall be determined by the superintendent that will provide for periodic reviews of each curriculum area.
- B. A district advisory committee shall provide assistance at the request of the superintendent. The advisory committee membership shall be a reflection of the community and, to the extent possible, shall reflect the diversity of the district and its school sites, and shall include parent, teacher, support staff, student, community residents, and administration representation.
- C. Within the ongoing process of curriculum development, the following needs shall be addressed:
 - 1. Provide for articulation of courses of study from kindergarten through grade twelve.
 - 2. Identify minimum objectives for each course and at each elementary grade level.
 - 3. Provide for continuing evaluation of programs for the purpose of attaining school district objectives.
 - 4. Provide a program for ongoing monitoring of student progress.
 - 5. Provide for specific, particular, and special needs of all members of the student community.

Policy 603

6. Integrate required and elective course standards in the scope and sequence of the district curriculum.
 7. Meet all applicable requirements of the Minnesota Department of Education and federal law.
- D. Students identified as not reading at grade level by the end of kindergarten, grade 1, and grade 2 must be screened for characteristics of dyslexia. Students in grade 3 or higher who demonstrate a reading difficulty to a classroom teacher must be screened for characteristics of dyslexia, unless a different reason for the reading difficulty has been identified. See Minn. Stat. § 120B.12, Subd. 2.
- E. The superintendent shall be responsible for keeping the school board informed of all state-mandated curriculum changes as well as recommended discretionary changes and for periodically presenting recommended modifications for school board review and approval.
- F. The superintendent shall have discretionary authority to develop guidelines and directives to implement school board policy relating to curriculum development.
