

**WORK-STUDY EMPLOYMENT**

The Yale Board of Education recognizes that those seniors who do not require a full school day schedule may wish to arrange their schedule to accommodate part-time employment. Seniors are reminded, however, that state law requires students to be in school a minimum of six hours each school day, and board policy requires students to be in school a minimum of six consecutive periods each day.

The superintendent is directed to prepare a regulation governing the student work-study program.
