

# Marysville School District Foundation

The Marysville School District Foundation is a non-profit corporation founded in 1984. Each year the foundation awards scholarships to children of certificated and classified employees.

## Scholarships

Each year the foundation awards scholarships to the children of district employees for college or post secondary education. Our goal is to award as many scholarships as possible to students based on donations during the year.

All of the money for this foundation goes toward scholarships.

## Foundation Board

If you are interested in getting involved with the Marysville School District Foundation Board, please contact:
