

COUGAR WRESTLING BOARD MEETING

OCTOBER 10th 6:30 pm Echo Commons

The Echo/Stanford wrestling community would like to establish a volunteer board of directors to help with providing direction and support to the youth through high school programs. This board would help with everything from fundraising, coaching, tournament options, camps and wrestling room supervision to allow more time for kids to practice.

An informational and organizational meeting will be held the evening of October 10th at 6:30 pm in the Echo School Commons. Your support and help is needed to keep the growth and opportunities going for the youth in our wrestling program.

For more information, please contact Raymon Smith – rsmith@echosd5.org
