Frenchtown School Board of Trustees Meeting

August 17, 2021 at 7:00 p.m.

Middle School Shared Common Area

I. **Call to Order:** The Regular School Board Meeting was called to order by Board Chair Jami Romney FitzGerald. Trustees Gordon Schmill, Shiloh Lucier, Bryce Simpson, David Weber and Jami Wright were in attendance. Trustee Noah Peters attended electronically. Also in attendance were Superintendent Les Meyer, Principals Aaron Griffin, Riley Devins, Jake Haynes and Jodi Hall, Assistant Principal/Activities Coordinator Kipp Lewis, Special Services Coordinator Jennifer Demmons, Technology Coordinator Arron Rowan and District Clerk Shauna Anderson.

II. **Pledge of Allegiance:** The meeting opened with the pledge at 7:01 p.m.

III. **Board Recognition**

Board Chair Jami Romney FitzGerald welcomed back the administrators for this upcoming school year, and welcomed all in attendance at the meeting.

IV. **Public Comment Period – none.**

V. **Individuals and Delegations to Address the Board – none.**

VI. **Approval of Minutes**

Shiloh Lucier made a motion to approve the minutes as presented. David Weber seconded the motion. Public discussion – none. Board discussion – none. Unanimous.

VII. **Administrative Reports**

Highlights of the administrative reports were Special Services Director Jennifer Demmons talking about excellent new staff members and the bios included in the board packet, and is looking forward to the upcoming year. Technology Coordinator Arron Rowan discussed network upgrades in progress and student device deployment. Maintenance Supervisor Sean Mechem discussed summer projects, and the recent failure of the fire system control unit. Questions were asked about the system repair and redundancy in the electrical controls. Board Chair Jami Romney FitzGerald commended the school grounds and the work completed by the maintenance and custodial crew. The Superintendent report will be presented with new business.

VIII. **Business**

A. Old Business – none.

B. New Business

1) **Review/Action: The Opening of Frenchtown Schools**

Board Chair Jami Romney FitzGerald discussed public comment during the meeting, rules of behavior and how the public can participate in this agenda item. Superintendent Les Meyer discussed the requirements for the Frenchtown School District ARP Plan, which demonstrates how FTSD is planning to utilize ESSER funding to safely return to school, and how the District has asked for stakeholder input to develop the reopening plan, including a recent survey sent to the community and staff. This plan will be reviewed and monitored continuously. Superintendent Meyer discussed the success of FTSD throughout the pandemic and the ability to continue in person education throughout while maintaining all safety protocols necessary throughout the year, including instruction time, activities and through the holidays. Superintendent Meyer recommended opening Frenchtown School District for the 2021 – 2022 school year with masks recommended, not required.

Jami Wright made a motion to approve the 2021 Reopening Plan as presented. Bryce Simpson seconded the motion.

Public discussion – members of the public addressed the board regarding the 2021 Reopening Plan and concerns were raised both against and in favor of mask requirements. The District and administration was commended for their efforts throughout the pandemic. Public speakers discussed parental concerns regarding mask mandates and retaining parental authority. Public members discussed the use of masks and the level of transmission of the Delta variant occurring at this time, and submitted statistical documentation regarding COVID transmission and current legislation regarding use of masks. Questions were asked of the administration and school board regarding masks on school buses, as well as any changes that may occur that would trigger a change in mask requirements.

Board members asked union representatives and administrators to discuss their individual opinion of the reopening plan. Both union representatives spoke in favor of the plan after conversations with their membership. Each building principal also spoke in favor of the plan, and discussed support of all families regarding mask usage in school. The goal of all administrators is to safely return to school and to continue the education of Frenchtown students. The success of the current summer school program was discussed as well as the procedures in place to watch and monitor the transmission rates and respond accordingly. Potential for quarantine was discussed, and the school district's role in assisting the county health department with this task. The federal requirement for masks on public transportation, which includes public school buses, was addressed and will be required per federal law.

Board discussion - each board member spoke regarding the proposed plan. Trustee Weber expressed concerns over CDC recommendations and felt the survey was misleading with current CDC guidance. Trustee Weber discussed the high transmission rate in Missoula County at this time, and supported the district plan with the exception of the masks and would like to see a mask mandate. Trustee Lucier thanked the public in attendance at the meeting, expressed confidence in district administration and felt we all shared the common ground of keeping the children of Frenchtown safe. Trustee Simpson felt the support of the plan by staff members was important. The District is in support of anyone who elects to wear a mask, and also supports the plan as presented. Trustee Schmill acknowledged Superintendent Meyer and the work involved with keeping the school open over the last year, including in class learning, online education as well as activities, and knows there are contingency plans if things change. Trustee Peters discussed conversations with physicians who recommended universal masking of students in grades K – 12, and therefore would like an alternate plan with masks required. Trustee Wright discussed living with COVID for many months now and felt that it is a matter of parents knowing what is best for their children, so supports the plan as written. Trustee Romney FitzGerald discussed the fact that children under 12 cannot get vaccinated and adults who chose not to get vaccinated can put these children at risk. Although no one is fond of masks, she believes they are effective, so recommended masks for children 12 and under.

Shiloh Lucier, Jami Wright, Bryce Simpson and Gordon Schmill voted in favor of the motion. David Weber, Noah Peters and Jami Romney FitzGerald opposed. The motion carried 4 – 3.

Break 8:42 – 8:47 p.m.

2) Review/Action: Hiring

Superintendent Les Meyer recommended the following for hire: Middle School Football Coaches Tony Davis and Jesse Mecham, MS Volleyball Official Judy Everett, Food Service Workers Beth Hall, Rachael Sherrill and Jennifer Richardson, Paraprofessionals Casey Lang, Megan Clifford and Olga Denisovich, Special Education Teacher Emily Ketcherside, Substitutes Sarah Hibbard, Jesse Mecham and Jacquelyn McMaster, Substitute Bus Driver Mark Richardson, Instructional Aid Tara Trump, Full-time Custodian Sheridyn Johnson, Food Service Substitutes Robin Coltrell and Liz Medina, and Full-time Grounds for the 2021-2022 school year Zackkory Palmer. Shiloh Lucier made a motion to approve the hires as recommended. David Weber seconded the motion. Public discussion – none. Board discussion – regarding the MS Volleyball official position. Unanimous.

- 3) Information/Discussion: Resignations
The resignations of Paraprofessionals Zackory Palmer and Cathy Williams were discussed.
- 4) Review/Action: MOA
 - a. The Middle School National Honor Society advisor position was added after the conclusion of negotiations with the FEA. As such, an MOA is needed to include this position for the remainder of the negotiated contract. Shiloh Lucier a motion to approve the MOA between FTSD and the FEA with regards to the Middle School National Honor Society advisor. Bryce Simpson seconded the motion. Public discussion – none. Board discussion – none. Unanimous.
 - b. The FEA requested a MOA to approve an annual stipend of \$3,000 for the Speech Language Pathologist Kelsie Maricelli. David Weber made a motion to approve the MOA as presented. Jami Wright seconded the motion. Public discussion – none. Board discussion – regarding why this was not addressed during the recent negotiations and the timing of the FEA request. Unanimous.
- 5) Review/Action: Bus Route Change – none.
New Transportation Tucker Eslinger was introduced and discussed transportation challenges facing the district.
- 6) Review/Action: Approve Discretionary Non Resident Students
Shiloh Lucier made a motion to approve the discretionary non-resident students as listed. Gordon Schmill seconded the motion. Public discussion – none. Board discussion – regarding administrative approval of these students, and current capacity at each school. Questions were asked about current non-resident students, impact on courses and activities. Unanimous.
- 7) Review/Action: Set Lunch Prices – Set Breakfast Prices
Superintendent Les Meyer recommended increasing adult lunch to \$4 and adult breakfast to \$2 per USDA requirements. Bryce Simpson made a motion to approve the adult meal prices as recommended. Gordon Schmill seconded the motion. Public discussion – none. Board discussion – none. Unanimous.
- 8) Review/Action: Increase P-Card/MasterCard Limit
Superintendent Les Meyer discussed BP7405 and current p-card credit limits in place. The low limit in place is limiting potential rebates, and makes purchasing difficult for the District. The rebate program was discussed. Superintendent Meyer recommended increasing the p-card credit limit to \$90,000. Shiloh Lucier made a motion to approve increasing the p-card limit as recommended. Bryce Simpson seconded the motion. Public discussion – none. Board discussion – asking for feedback in the future from the district office as to the effectiveness of this limit increase. Unanimous.
- 9) Review/Action: Approve List of Obsolete Equipment for Disposal – none.
- 10) Review/Action: Purchases
Superintendent Les Meyer discussed the earlier facilities committee meeting and recommended purchases for the network upgrade, Chromebooks, iPads, Ventilator rebalancing and roof repair. Bryce Simpson made a motion to approve the purchases as recommended by the Facilities Committee with the exception of the drainage system estimate, using ESSER funding. Gordon Schmill seconded the motion. Public discussion – none. Board discussion – regarding the Facilities Committee and confirming the recommendation. Unanimous.
- 11) Review/Action: Set Date for Fall Retreat
Superintendent Les Meyer discussed the fall retreat, it's intent and asked if the Board would like to schedule a date for a fall retreat. Discussion was held regarding the intent of the retreat and its benefits to the Board. David Weber made a motion to approve scheduling a fun fall retreat. Bryce Simpson seconded the motion. Public discussion – none. Board discussion – regarding potential dates to be sent to Board members. Unanimous.

IX. Policy Review

A. Second Reading – New Policies

- 1) BP3550F – School District Student Club Application. Recommended new policy requiring an application form for student clubs.
- 2) BP4211 – District and School Name, Logo, Imagery and Colors. This model policy requires Board approval for use of the District name, logo, imagery and colors by any group, individual, business, entity or organization.

Jami Wright made a motion to approve BP3550F and BP4211 on second reading. Shiloh Lucier seconded the motion. Public discussion – none. Board discussion – none. Unanimous.

X. Approval of Warrants/Approval of Financial Report

Jami Wright made a motion to approve the warrants and financial reports as presented. Shiloh Lucier seconded the motion. Public discussion – none. Board discussion – none. Unanimous.

Administrative Reports

2020-2021 School Year

<p><u>Doors / Access</u></p> <p>9/16/21 – ADA Door access was modified or added at 4 locations on South campus. Electronic card readers and software have been installed and access cards issued to relative employees.</p>
<p><u>District Boilers / Heat</u></p> <p><u>South Campus</u></p> <p>9/16/21 - The South campus boilers were inspected two weeks ago by our new insurance company and the report sent to the state for certification. No major issues were found with the system. This was an external only inspection, the system internals will be inspected early next Summer. We will likely start the boilers soon as overnight temps drop.</p> <p><u>North Campus</u></p> <p>9/16/21 – External inspections have been conducted on all North campus boiler systems. The new heat exchangers for the "old system" on the high school side have been installed. One of the newly rebuilt boilers is fully operational, the other is pending one part that will put us back to normal operation on the old system.</p>
<p><u>District Ventilation / Air</u></p> <p><u>South Campus</u></p> <p>9/16/21 - Filter changes are current. A complete evaluation of the room ventilators for South campus was completed and a list of issues to balance air exchange was developed, proposed, and approved. The system corrections will be moving forward over the next weeks, mostly on non-student days. Completion of this work will ensure that there is a proper air fresh air exchange taking place.</p> <p><u>North Campus</u></p> <p>9/16/21 – Filter changes are current. Discussion of adding GPS needlepoint devices at all of the primary North Campus air handlers have taken place and we will work on quantities and an installation plan this month. This will add another level of air cleaning (not just for CV19) to our primary air in the buildings.</p>
<p><u>Roof Systems</u></p> <p><u>North Campus</u></p> <p>9/16/21 – A comprehensive roof evaluation was conducted and proposals shared with the facility and board groups. Approval of recommended roof area restoration was approved and issued as part of the Esser related spending plan.</p> <p><u>South Campus</u></p> <p>9/16/21 – A proposal to repair (not replace) the Intermediate roof was approved and submitted as part of the Esser spending plan.</p>
<p><u>South Campus Outdoor Classroom – Nature Area</u></p> <p>9/16/21 – Working to improve conditions of the outdoor classroom/nature area. Rented equipment to remove root balls that were clogging a culvert near the observation deck. Water level was encroaching on playground and nature trail area. Have begun pulling decades of stacked debris out of the South tree line to burn later this Fall. Nature path has been mowed consistently over the Summer. Plans include some brush clearing around "folf" posts and trail edges where brush is taking over.</p>
<p><u>South Campus Building Exterior Projects</u></p> <p>9/16/21– Material availability did not allow us to move forward with exterior paint projects on the elementary building. We will acquire materials as soon as they come available so they are on site and ready for our next opportunity to work on the building exterior.</p>
<p><u>Playgrounds / Equipment / Substrate</u></p> <p><u>North Campus.</u></p> <p>9/16/21 – The asphalt basketball / play area is completed with the installation of the standards and inclusion of three 4-square game areas. Topsoil was used to cover the gravel fill under the new asphalt and sod was installed over the topsoil. This area needs to be added into our system irrigation, but for now we are manually watering to ensure sod establishment.</p>

<p><u>South Campus</u></p> <p>9/16/21 – New certified wood chips were installed in the upper playground areas and most of the lower playground areas. Swing pads to control erosion under swing sets were installed in the upper swing area to determine their effectiveness – they have effectively reduced erosion of the substrate under swings, so will be ordered for all swing areas. Chains and seats were evaluated and many/most replaced. We will order additional chips to complete the lower playground area fill and to add as needed in newly filled areas.</p>
<p><u>Campus Water</u></p> <p><u>South Campus</u></p> <p>9/16/21 – Water pump/well is operating as designed after the week-long shut down outage this Summer. The new hot water heater for the elementary building was installed and now all South campus building have year round hot water.</p> <p><u>North Campus</u></p> <p>9/16/21 – The domestic water system is operating as designed. The geothermal system is operating again after the failure of the VFD resulted in a HVAC and Fire System shut down late in the Summer. Our electrician is working on a plan to set up a secondary VFD system to control the well in the event of another primary panel failure. We are also looking at possibilities for a second pump in line with the existing geothermal pump, or secondarily at a stored water system to reduce engaging of the primary well pump.</p>
<p><u>Asphalt / Parking</u></p> <p><u>South Campus:</u></p> <p>9/16/21 – New lining work, ADA parking, curb painting, and additional crosswalks were completed at the West parent pick up loop. New asphalt millings were installed in the East auxiliary parking area and appear to have bonded together to provide a more stable parking surface. The collapsed area of the bus approach was removed, base installed, and new asphalt applied. A new sump was placed in the giant pot hole area and several severe pot holes were repaired. A proposal to chip seal and re-line the full East parking area and bus approach will be presented to the district with the intent to address early next Summer. Created additional parking area at West end of Elementary after removal of stored materials and removal of fence.</p> <p><u>North Campus:</u></p> <p>9/16/21 – Crack seal was completed on the West parking areas. Line painting was completed in the bus loop and West entry road. All North campus lots need to be either seal coated, or chip sealed and relined in the near future. A proposal for this work will be prepared and presented to the District.</p>
<p><u>Middle School Sign</u></p> <p>No Update – Have not addressed this yet – there is a significant saving to doing this on site, but other priorities have kept us from doing the work.</p>
<p><u>Intermediate School Blinds</u></p> <p>9/16/21 – Blinds have been completed for the intermediate building.</p>
<p><u>District Sanitation/Disinfection</u></p> <p>9/16/21 – Custodial has continued with most of the cleaning/disinfection protocols used last school year. Supplies have been slow to arrive, but we have what is needed to perform recommended cleaning and disinfection.</p>
<p><u>Kitchen / Food Services</u></p> <p><u>South Campus</u></p> <p>9/12/21 - Issues being addressed by Food Services Manager.</p> <p><u>North Campus</u></p> <p>9/16/21 – The sink disposal unit failed and we are working with our repair service to locate a replacement unit.</p>
<p><u>Heaving Entry Slabs:</u></p> <p>No Update – Have requested and am waiting for proposals for modification and repair of the Admin door entry slab. While the slab has been “repaired” 3 times in the past, there does need to be a modification to the location using a frost</p>

**Frenchtown School District #40
Maintenance Supervisor Report**

September 2021

Updated: 9/16/21

<p>wall design to prevent the doors from jamming in the future. There are several location where this modification would be advised, with the Admin entrance being first priority.</p>
<p>Rodent / Pest Control</p> <p>9/12/21 – No unusual pest issues in the building. The gopher mitigation was reasonably successful this Summer.</p>
<p>Gym Floors</p> <p><u>High School</u></p> <p>9/12/21 – Floor refinish completed in August. Regular maintenance to extend finish life is ongoing.</p> <p><u>Middle School</u></p> <p>9/12/21 – Floor refinish completed in August. Regular maintenance to extend finish life is ongoing</p> <p><u>Intermediate School</u></p> <p>9/16/21 – Floor refinish completed in August</p> <p><u>Elementary School</u></p> <p>9/16/21 – Perimeter trim to be installed late Fall. Possible light finish over Christmas break.</p>
<p>Snow Removal</p> <p>9/16/21 – Planning to use the district Jeep to take on more of the North campus curb and wide walk snow removal this season. A surplus machine with a snow brush was purchased for South campus to hopefully reduce manual removal and speed the morning walk prep. Existing equipment will be serviced and ready for snow.</p>
<p>Grounds</p> <p>9/16/21 – We will be addressing a number of severe irrigation system concerns with a professional installer this month to prepare proposals for work to occur in early Spring. Field maintenance seems to be going well and the lawns and turf are in reasonably good condition. Will continue to focus on improvement areas throughout both campuses.</p>
<p>Maintenance Requests and Preventative Maintenance</p> <p>9/16/21 – There have been 506 maintenance and custodial requests completed since the last board report.</p>
<p>Grounds Equipment Garage at the South Campus:</p> <p>9/15/21 – Planning for removal of this building to create additional parking space. Per board suggestion will seek contractor for salvage/disposal. Waiting on quotes for metal building or modular wood structure 28x50 with 10 foot ceiling to place on asphalt area behind bus barn. All quotes are currently stalled at truss quotes.</p>
<p>Classroom/Office /Exterior Lighting to LED's</p> <p>9/15/21 – Have received a proposal for the conversion of the Upper East wing of the elementary school along with the upper and lower East wing halls and Phase 2 hallway. These are currently the most inefficient lighting areas with the most expensive ballast replacements. Discussions of expanding this effort to the North campus have occurred and we will begin to create phases for that work. LED replacement work is still partially reimbursed by Missoula Electric Co-op and power savings along with reduction in maintenance, ballast, and bulb costs pay the balance very quickly.</p>
<p>Septic System Issues:</p> <p>9/16/21 - In good order. Need to complete drain field repair on North campus green space – contractor delay. Not impacting system performance.</p>
<p>High School Commons:</p> <p>9/16/21 – Have made contact with a local company to evaluate the HS commons floor for ability to polish concrete. Will work on a proposal to have some form of hard floor installed next Summer. Would also like to re-open a dialog about addressing the ceiling tiles – probably a paint solution with a product that can be cleaned, or...?</p>
<p>Staffing</p> <p>9/16/21 – Received resignation of primary grounds position (Bart H.). Also received resignation of North campus lead custodian (Steve S.). Lead custodian position was posted, received one application, interviewed and recommending candidate at Sept board meeting. Evaluating grounds position and MS maintenance position (vacated in May) to find creative solution.</p>
<p>Security Systems @ North / South Campus:</p>

9/16/21 – Cameras on South campus are operating, but there were some cameras that went offline after the switch upgrades. Technology is working to get those online. While we have a basic view of the campus now, we need to add some additional security to the bus storage area and North intermediate field. A package to add this coverage will follow in turn after the next North campus package.

9/16/21 – A proposal to add or upgrade cameras along the Middle school building with some improvements to the primary West parking area has been provided to the District. This proposal in conjunction with a maintenance/service agreement for our full camera system will take us further into the security upgrade that we started nearly two years ago. There is a plan and need to address the far West parking area along with more visibility into the primary West parking lot and a meeting next Wednesday will help determine that plan.

Alarm Systems:

9/16/21 – We are once again dealing with a number of nuisance type alarm system notifiers. These cause a loud buzzing notification tone at the two system monitor stations in the high school.

Respectfully – Sean Mecham, Maintenance/Custodial

- The IT department has responded to and resolved tickets and 267 troubleshooting requests via email since we last reported in August
- **Current Project list**

Network upgrades

Finishing up the last few network rooms before closing up this project MS POD, MS Maintenance room, MS portables, and the VOED Shop are the last four that need to be upgraded

Chromebooks

We have all the of the Chrome books now we are working to get them deployed and setup for use.

iPads

We are waiting on the iPads for the Art department once on site they will be built and deployed.

IT Interns

We have our second intern Madi Wieland will join us next quarter as our 2nd IT intern.

Submitted request for Camera system service contract

This service contract will get us 10-12 hours of support as needed each year on top of a cleaning of all camera's updates to the servers and all camera's and replace five outdoor cameras' and five indoor cameras'.

Thank you for the privilege of serving the Frenchtown School District. As always, feel free to contact myself or Les if you have any questions or concerns.

Respectfully Submitted,

HS Enrollment

Enrollment

9th Grade- 120

10th Grade- 125

11th Grade- 119

12th Grade- 123

HS Total- 487

*This is the largest enrollment in the history of FHS. For the first time since the new addition every classroom in the high school is full and being used every day.

How's it going?

- Freshman orientation was a success! Having the day dedicated to the freshman and new students allows them to ease into the high school. The student council students gave up their last day of summer to come in and offer advice, give tours and invite them to participate in all of our extra-curricular activities.
- A few curricular updates:
 - Over the summer we partnered with the Missoula College to offer two new dual credit classes. This means the students can earn credit here at FHS for a required course and credit at the college level. The first new dual credit class is a Government class taught by Mr. Stanicar. The second course is Contemporary Math 105 taught by Ms. Quinn. These credits will count towards their general social science and math credits. These credits are very transferable to any college or university. This is an awesome opportunity for our students.
 - Other additional course offerings include-Roots of American Music, Exploring Pop Music, Freedom Gardens Independent study, Exercise Science, Art History and we are working to pilot some of the Elementary Aides as more of an intern position for credit.
- Allowing the sophomores to leave at lunch was a timely decision. We do not have the space in our lunchroom to seat two grade levels with the size of our classes. We are hoping to purchase some round tables to accommodate more seating. The round tables will also give an inclusive look/feel to the lunchroom.
- Speaking of growth-the community/student population has outgrown the lunchroom and the auditorium. We cannot use the auditorium for concerts or assemblies. We are just too big. We talk a lot about the elementary needing an upgrade but the high school has outgrown some of the important pieces. Food for thought.
- TikTok's "Devious Licks" have kept us busy. We have appealed to the students for help. Many TikTok videos were turned over to us resulting in student discipline. TikTok has since denounced the trend.
- Covid...one day at a time!
 - Sub shortages continue to be an issue
 - Students claiming to be in quarantine with no documentation has been a challenge
- The new staff has jumped in with both feet and their effort and attitude is outstanding!

Ms. Moore-Science

Greetings! My name is Madie Moore and I am lucky enough to join the Frenchtown community as the new Science teacher. I was born in Spokane, WA but call Montana home with Billings-bred parents and a wide net of relatives throughout the state. I graduated from University of Portland with an Environmental Science degree and decided to take my first undertaking as a science teacher in Uganda, East Africa for a year and a half upon graduation. After arriving back on US soil, I long-term subbed in a Pre-K, 1st, and 3rd grade classroom back in Spokane. I itched to be outside and follow a more conservation-oriented career which landed me in Bozeman, MT. I worked in running middle school and high school outdoor education programs for 5 years with the Montana Conservation Corps in Bozeman and Helena, MT. Even though running chainsaws and digging new trails had my heart, I decided to go back to school to foster my passion of inspiring youth. I graduated from University of Montana with a Masters of Education this last spring and am so excited to be a part of your community. I consider myself a professional dabbler in anything that allows me to be outside and a life-long learner, which leads to too many hobbies to list. I do hope to bring more of what makes this state so special into the classroom and be a part of this Bronc community!

Mr. Waln- High School General English

Hello, my name is Brad Waln. I was born and raised in Havre, Montana but I graduated from Sentinel High School in 2001. After high school, I went to school at the University of Montana. While taking a break from college, I became a police officer and that was my career for 9 years. I then went back to school and earned a degree in Elementary Education and Special Education from Western Governors University. I have spent the past 3 years teaching at Frenchtown Intermediate and Frenchtown Middle School. I am married and have three kids in the Frenchtown School District. In my spare time, I enjoy coaching youth sports, traveling, and any sort of outdoor activity. I am extremely excited to be a part of the High School community! Go Broncs!

Mr. Reynolds- Industrial Education

Hello. My name is Louis Reynolds. I was raised on a small ranch outside of Twin Bridges, MT. I graduated from Twin Bridges High School in... After high school I attended Western Montana College and thought about going into Elementary Education. After my second year of school and an exploratory field that took me to a real classroom for a week, I decided elementary education was NOT for me. (Hats off to you elementary teachers). I chose to take a different route in life from the Twin Bridges norm and attended film School at Montana State University. After Film School I worked on a couple of projects in Livingston and Bozeman which then helped me get to Los Angeles, CA. I was a property master assistant on a commercial, a production assistant/video assist assistant on the film 8mm and I was a camera loader for the film Deterrence. I came back to Montana after two years and worked for a friend on his ranch, bought 30 head of cattle and worked for my brother-in-law on his fencing business. Soon after, I met my wife who happened to be a teacher. I later went back to school at The University of Montana Western and earned a degree in Industrial Arts. I taught Industrial Arts and was the Head Track and Field coach at Twin Bridges High School for the last 16 years. My wife and I have a daughter who is 16 and a son who is 14. My family decided to make a change in life so I stepped out of my position at Twin Bridges and we moved to Missoula, not really knowing what direction would come next. The Industrial Arts position opened up at Frenchtown and I knew I would be a fool not to at least apply for the position. So, hello Frenchtown! I'm looking forward to a fun and productive year. Thank you Mr. Griffin, Mr. Haynes, Mr. Meyer and Mr. Duhamel. Four passions of mine are my family, the ocean, the Dallas Cowboys and Rock and Roll music. Rock on!

Ms. O'Neal- Family Consumer Science

Hello! My name is Jolene O'Neal, and I am teaching Family and Consumer Sciences. Our family is brand new to Montana (from Oregon) and so happy to be here! My husband has relatives here in the Missoula area and we loved visiting, so eventually we decided this was the place for us and made the big move this past spring. I am originally from Portland, and attended Portland State University where I earned a Bachelor of Science in Arts & Letters, then a Master of Education in Secondary English Language Arts. From there, I moved to North Eastern Oregon where I taught Language Arts for ten years, and ran the extra-curricular theater department for a few years. My biggest accomplishment was directing the musical *State Fair*. The last school I taught at was so small that the core teachers also taught all the electives, so over the years I had everything from a college speech class to dance, drama, anthropology, personal finance, and art

history. The thing I really wanted to teach, though, was Family and Consumer Sciences. I love cooking and crafting, so the opportunity to do those things all day makes this my dream job! Three facts about me are that I worked at Walt Disney World when I was 19, I love to make pickles, and I have a brother who lives in Germany which makes that my favorite place to visit!

Mrs. Goris - Business

Hi, my name is Ryan Goris. I was raised in Missoula and graduated from Missoula Big Sky a LONG time ago. After high school I attended the Air Force Academy in Colorado Springs with a Bachelor of Science in Humanities and a minor in Philosophy. I then went on to serve 5 years in the Air Force as a Personnel Officer (HR). During this time I earned a Masters in Business Organizational Management as well as a Masters in Secondary Education. My husband and I are both teachers so after I left the Air Force, we began teaching for the Department of Defense schools on overseas military bases. We were at Lakenheath, England; Yokosuka, Japan; Guantanamo Bay, Cuba and Morón de la Frontera, Spain. During this time I taught Honors Literature 10, English 10 and Algebra 1. While we thoroughly enjoyed our almost 20 years overseas, Montana is my home and we decided it was time to retire our passports and move back.

I love teaching and I am thrilled to be teaching business classes at Frenchtown High School! When I am not at school, I enjoy spending time with my family. I also love to travel and try new foods. Go Broncs!

- September 30th No School. School wide safety training
- October 14th Early Out. Staff training on Next Level Teaching

September Board Meeting 2021
Frenchtown High School Activities
Kipp Lewis

Frenchtown activities started on August 13th for the current 2021-2022 school year. Fall season currently has 191 (190) students taking advantage of the opportunity of participating in an extracurricular activity. This number is up 1 from 190 last year. The numbers for each activity are: *current number (last years number)*: 27 (30) Volleyball, 27 (23) Boys Soccer, 21 (23) Girls Soccer, 69 (69) Football, 22 (23) Golf , 14 (8) XC and 11 (13) Cheerleading. The teams are seeing improvement and success with each passing week.

We held a fall parent meeting on August 10th which was successful in visiting with the parents on the expectations for the upcoming year. These meetings provided a great opportunity to communicate with parents, coaches and staff. It also gave the activities department the ability to welcome new students and staff to the Bronc family.

We also held our annual coaches meeting to cover district policies and activity procedures.

Homecoming week will take place the week of October 4th.

We appreciate the painting crew this summer that made all of the buildings look the same. The facilities look great.

This year is off to a great start. Please come out and support our kids in all the activities.

GO BRONCS !!!!!

Middle School Board Report for September 2021

- Football: 53
 - Volleyball: 42
 - Cross Country: 23
 - Soccer: 13
- Total: 131**

Update on MS Sports....

- We will only have one middle school soccer team for the 2021-2022 season. Requesting addition of 6th grade in 2022-2023 school year.
- Total athletes is 131 for both the 2020-2021 and 2022 season --- we are down 14 in soccer but up 11 in football and 9 in volleyball.
- Ref expenses --- struggling to find volleyball and soccer refs --- having to pay at the JV rate of \$48.00 per contest verses \$36.00.

Transition to the 2021-2022 School Year

- I would really like to thank the teachers of FMS ----- This is challenging a time! We are expecting a lot out of our teachers at FMS.
- Students have been great --- I expect this to be ongoing! Really proud of the students efforts in all areas!
- Parents and community have been great --- we just need to stay healthy!

Meet the NEW Middle School Staff

- Greetings! My name is **Emily Ketcherside** and I am from Orofino, Idaho. I obtained my Bachelors in Elementary Education (K-8th) with an endorsement in Special Education (K-12th) at Lewis-Clark State College. If I am not in school, I am usually hanging out with friends and family. My favorite hobbies are reading, hiking, camping, fishing, four-wheeling, and swimming. One fun fact about me is that I can name all of my teachers from pre-K all the way through college and say one good thing about them and how they have made a positive impact in my life. I have always wanted to be a teacher and to work with children. I want to enhance the educational experience of each student beyond the status quo, much like my teachers did for me. I want to be a positive role model for children so they can become leaders in their communities.

- Hello! My name is **Rae-Ann Beaulieu** (pronounced like Baloo, the Jungle Book Character).

Similar to Baloo, I've been known to be a little zany and bust out my dance moves while walking down the hall, as a reminder to let loose sometimes and remind myself of the *bare necessities of life*. I come to Frenchtown Middle School after working 7 years with MCPS in a variety of positions, the last of which was Library Media Assistant at Big Sky High School. As a graduate from the University of Montana, I earned my BA in Elementary Education in 2000.... Yes, I'm that old, but I swear I don't act it! Currently, I am working on my capstone for an MED in Learning and Technology. One area of study that I am very passionate about and research in my free time is child brain development and the physiological/psychological effects of stress and anxiety. In my spare time I like to go running and hiking with my dog, or work on home improvement projects that include repurposing old unwanted items. I also dabble in photography...I'm, for sure, just a hobbyist, though. I am

a proud mother of two beautiful teenage daughters that are the light of my life, and Hank, our rescue pup. Joining the Frenchtown Team is an exciting new adventure and I look forward to this next chapter in my career!!

"I Love You Guys" Training --- Thursday, September 30, 2021 Frenchtown Intermediate Gym

Below you will find the link to the training ---

Looking ahead to October.....

The author of Next Level Teaching will be visiting with 5th-8th graders on Thursday, October 14 in the morning and with 4-12 staff in the afternoon.

Jonathan Alsheimer is the unorthodox, energetic, and entertaining middle school teacher who refuses to live a life of limitations and works with UFC Fighters, Celebrities, and Clothing Brands. Jonathan often referred to as “my favorite teacher” by his students, is the author of “NEXT LEVEL TEACHING” soon to be released in 2020.

As a passionate educator and National Keynote Speaker, Jonathan Alsheimer will present on the limitless possibilities of teachers as a driving force impacting an infectious classroom and school culture. NEXT LEVEL TEACHING is about every teacher bringing their unique flair to better their school every single day, going the NEXT LEVEL engaging your students, establishing community partnerships, building powerful relationships, and always striving to be “That Teacher” that their students remember!

Jonathan Alsheimer also speaks to students about overcoming adversity, giving maximum effort, respecting each other and adults, and striving to make an impact on their schools in a session entitled “NEXT LEVEL IMPACT!”

Jonathan, teaches at the world-renowned Fred Lynn Middle School, which was featured in two documentaries “Relentless” and “Relentless: Chasing Accreditation”, has been featured as the teacher who forged a partnership with UFC Fighter and light-weight contender Paul Felder to bring a message of never giving up, fighting for their education, and empowering the students to believe in themselves, all principles that Jonathan promotes in his classroom.

Jonathan Alsheimer also partnered with Fear the Fighter, MMA clothing brand to establish a stop-bullying campaign with “Relentless” Principal Hamish Brewer. Jonathan Alsheimer didn’t stop there and established a relationship with Chris “Drama” Pfaff, MTV reality star and CEO of Young and Reckless to bring clothing to his “students in need” and worked to build student leaders in his school.

On Thursday, October 28 the Frenchtown Youth Collation and will bring in Steered Straight. This presentation will be for 6-12 students, faculty, and parents.

Steered Straight, Inc.

Steered Straight was founded in 2000 by Michael DeLeon. It has primarily been about the uniqueness of the messenger — a successfully acclimated ex-offender — someone who has suffered the consequences of negative decisions that can be easily identified by youth as a changed, motivated teacher. Our organization has grown to include both additional dynamic motivational speakers who are also ex-offenders, as well as those that have NEVER been in trouble in their lives, yet have overcome incredible obstacles to deliver a powerful message about life.

Purpose

To reach youth and young adults through motivational speaking, life-sharing seminars and interactive curriculum in order to:

- Provide youth with real-life examples of negative consequences that resulted from making poor decisions.
- Impact the minds of youth to steer their lives in positive ways and encourage them to make positive life-choices.
- Give kids the ability to develop a sense of understanding about the positive and negative choices in their lives.
- Reduce the number of youth who end up in the criminal justice system due to making poor decisions.

Frenchtown Intermediate Board Report

4th Grade Measurements

4th grade students are learning to use tape measures and are gaining understanding of how to apply what they are learning in the classroom to real life scenarios. Students are really learning how fun math can be when it applies to their own everyday activities. Great job 4th grade students!

Getting to Know Each Other

Often school can be tough at the start of the year, but one thing is certain. If you are able to gain understanding of your peers, relationships are easier to build on and maintain. Pictured below are, “The Best Part of Me”, “Yet”, and “Student Puzzle Pieces.” These projects help students to share and learn about each other in a safe positive environment.

Place Based Education and Hands on Learning

5th Grade students take hands on learning to the next level with some place based education. Getting out of the classroom helps students to really apply scientific theory and process to their learning. Thanks 5th grade students for expanding your learning outside of the classroom environment.

5th Grade Dining Center and 4th Grade Café

With lots of picnic tables and flexible seating, the Intermediate School was able to setup an outside lunchroom for students in both 4th and 5th grade. When the weather is nice Intermediate students get to eat outside with their classmates.

Jimmy Casas Kicks Off the Year with Climate and Culture Talk at FTSD

Teachers from 5 districts across the state had the opportunity to come to Frenchtown and learn from world renowned author Jimmy Casas. Over two days Jimmy shared how to develop and build on your school climate and culture as well as shared personal experiences on how to reach kids and build relationships. Thanks you to Bonner, Lolo, Arlee, St. Ignatius and Frenchtown Teachers for taking some time to learn with Jimmy Casas.

First Aid and CPR

Tammy did a great job teaching first aid and CPR to our staff that needed to be certified for the 2021-2022 school year. Nice job Tammy getting staff all trained for the up and coming school year.

Frenchtown students in 4H did an amazing job of raising animals to show and sell at the Missoula County Fair. (Pictures listed below)

Counseling Corner with Sadie Forte

We are very excited to be using a program called Second Step this school year! With a holistic approach to social-emotional learning, Second Step helps build skills used for problem solving, dealing with peer pressure, and managing strong feelings. Just last week we practiced how and when to ask for help! I encourage you to discuss these lessons at home and ask your students to show you what they learn!

If your student ever needs some extra help practicing these skills, I would be happy to schedule a time to meet with them.

If you have any questions or concerns, or just want to chat about your student, please email or call me:

First Day of School Wednesday, August 27, 2021

First day of school was a memorable day, 328 students entered the building with their parents saying goodbye at the school door. Students were welcomed to the school by every adult in the building, ALL staff were willing to help the first couple of days to support kiddos finding their new classrooms and remember where to find certain places. It has been a long time since March 16, kids were excited to be back even with social distancing and masks.

New Kindergarteners Monday, August 30, 2021

Starting August 25-27 new students, parents, grandparents, aunts, and uncles had the opportunity to meet their new kindergarten teacher. Students were given a private tour of the classroom, parents asked questions, and teachers had an opportunity to complete baseline screening. One hundred twenty four new kindergarten faces were welcomed with an outside meet and greet with the teachers and were dismissed into the building one classroom at a time, parents said good-bye at the outside kindergarten door. Parents who chose to stay met in the Intermediate Gym for a brief gathering about what to expect for the kindergarten year from parking, to academics, to day to day schedule.

Early Kindergarten Tuesday, September 7, 2021

A new adventure and opportunity for more families in our community began the week of August 30-September 3. Families had the opportunity to meet ask questions and students were in the classroom with Mrs. Trump. An exciting first day of school, thirty-three began their school journey at our school. Miss Shirey has established activities appropriate for all of these

School Theme RISE UP

https://www.youtube.com/watch?v=hmHfo_3EGFA

RISE UP

Our K-5 theme this year is RISE UP! We will RISE UP together to face fear, worry, bullying, and self-doubt. We will RISE UP as a community and come together in kindness and friendship. Our K-5 students will launch this theme at our kick-off assembly on September 23rd. Our kids will show unity and community as we RISE UP against things that tear us down as individuals. The students will participate in a number of initiatives this school year that encourage our commitment to RISE UP when things get difficult. We can't wait to kick this year off with our RISE UP assembly!

SOCK-tober

SOCK-tober is the first of our events from the RISE UP initiative that will bring together our community and work toward a common goal. We will begin our sock drive the week of September 27th. During this initiative we are asking the students to RISE UP and support the families in our community that could benefit from new socks. We all like cozy, warm socks on our toes, and with winter coming, this initiative could not be more timely. Our SOCK-tober event will ask those that would like to donate new socks to send them in with their student or drop off at the main office. Our Student Ambassadors will help coordinate this event. Once our socks drive is complete, any remaining socks will be donated to the Poverello Center. Let's RISE UP Frenchtown and SOCK-IT-TO-'EM with our SOCK-tober Event!

Southside of Elementary: Bus students are exiting the back of the building to get to their bus

Kindergarten Loop for Pick- Up: West Parent Pick Up Loop for kindergarten and any siblings.

1st-5th Parent Pick-Up Loop: Double Lane for drop off and pick up.

Grade Level Designated Enter/Exit Doors: This has helped so much with flow of student traffic, breakfast pick-up, and students entering in the wing to their classroom.

Report to the Frenchtown School Board

From Jennifer Demmons, Special Services Coordinator

September 2021

The Frenchtown Special Education Department is well-known for high-quality interventions, whether it be academic, developmental, social/emotional, behavioral, motor, speech/language, and so on. This month I'll spotlight our special education preschool, since we have started implementing many new and exciting interventions at this level! I have attached one of Mrs. Lozier's (Lulu's) weekly class newsletters, too!

The Creative Curriculum is our new special education preschool program. This video provides an overview: <https://www.youtube.com/watch?v=hiZrZJSEJKA>

The Creative Curriculum® for Preschool is one of the most widely used pre-K curricula in the nation. It's comprehensive and research-based and features exploration and discovery as a way of learning. Foundation volumes help teachers create high-quality learning environments and support deep understanding of early childhood best practices, theories, and research. Robust *Daily Resources* provide the instructional tools and materials to engage children in project-based investigations and make every moment of the day meaningful, intentional, and engaging. (<https://teachingstrategies.com/solutions/teach/preschool/>)

Teaching Strategies Gold allows the teacher to assess each child's development in a holistic and meaningful way. The assessment is tied to state preschool standards ([Teaching Strategies Gold Standards](#)). Gold allows teachers and administrators the ability to establish baseline developmental data, target interventions, progress monitor, and guide instruction ([Teaching Strategies Gold Reports](#)). This video provides an overview of Teaching Strategies Gold:

<https://teachingstrategies.com/solutions/assess/gold/>

Ready Rosie helps establish a partnership between the teacher and families in sharing responsibility for promoting healthy child development. Modeled Moments videos demonstrate to parents how they can reinforce specific skills at home. There are also Research and Answer Videos from childhood experts, Family Workshops, a data dashboard for parents, and other family resources. If parents have limited internet access, resources are also available through mobile app. This video provides an overview: <https://www.readyrosie.com/learn-more/>

Al's Pals is a comprehensive social-emotional curriculum for preschool children designed to promote “protective factors that may lessen the long-term effects of trauma, including effects on a child’s brain development, attention, decision-making, learning ability, ability to form healthy and stable relationships, and response to stress.” It includes family resources and is endorsed by the Collaborative for Academic, Social, and Emotional Learning (CASEL), and the National Center on Quality Teaching and Learning. Al’s Pals is also aligned to the Teaching Strategies Objectives for Development and Learning.

The following information about Al’s Pals comes from

<https://www.fairfaxcounty.gov/community-services-board/prevention/als-pals>

This website has several Al’s Pals videos that are specific to pandemic-related social/emotional issues.

Al’s Pals: Kids Making Healthy Choices is a resiliency-based early childhood curriculum and teacher training program that develops personal, social, and emotional skills in children 3 to 8 years old. Using 46 interactive lessons, Al’s Pals teaches children how to:

- Express feelings appropriately
- Use kind words
- Care about others
- Use self-control
- Think independently
- Accept differences
- Make friends
- Solve problems peacefully
- Cope
- Make safe and healthy choices

The lessons use guided creative play, brainstorming, puppetry, original music, and movement to develop children’s social-emotional competence and life skills. A nine-lesson booster curriculum is used in second or third grade with children who have previously received the full program.

TARGET POPULATION

Al’s Pals was originally designed for and piloted with preschool children considered to be at-risk due to poverty and other factors. The program was initially piloted in Head Start and other community-based child development centers whose populations primarily included African-American and Caucasian children. Since the initial pilot, the program has been expanded and found to be effective with children 3 to 8 years old of all socioeconomic and racial backgrounds living in urban, suburban and rural areas. Al’s Pals has been proven to work in preschools, early elementary school grades, after-school programs and child care centers.

PROVEN RESULTS

- Children who participate in Al’s Pals are 2 to 5 times more likely to improve their use of positive social behaviors than children who do not participate. Positive social behaviors include sharing, taking turns, using self-control, helping others, and using words to solve problems.
- Children who participate in Al’s Pals are 1.5 to 4 times more likely to improve their use of positive classroom coping skills than children who do not participate. Examples of positive classroom

coping skills include talking about a problem with a friend or teacher or asking for help to solve a problem.

- Children who do not participate in AI's Pals are 2 to 6 times more likely to increase their use of antisocial and aggressive behaviors than children in AI's Pals. Antisocial/aggressive behavior includes hitting, kicking, name-calling, bullying and destroying others' belongings.

INTERVENTION

- Universal

BENEFITS

- Strengthens children's social and life skills.
- Prevents increased aggressive/anti-social behavior that might otherwise occur.
- Helps children differentiate between safe and harmful substances and situations.
- Helps children manage their own behavior, freeing teachers to do more teaching.

HOW IT WORKS

AI's Pals has 46 core lessons that capture real-life childhood experiences and provide opportunities for the children to acquire and practice social and emotional skills. Designed for preschool, kindergarten and first-grade children, a classroom teacher delivers lessons for 10 to 15 minutes twice a week. An original hand puppet named AI is at the heart of the program, and serves as a positive role model. In addition to AI and puppet pals Ty and Keisha, children are engaged through a wide range of teaching tools including scripted puppet-led discussions, guided creative play, original songs, posters, color photographs, message pads and books.

Through the lessons, children learn and practice positive ways to express feelings, relate to others, communicate, differentiate between safe and unsafe substances and situations, brainstorm ideas and solve problems. By reinforcing the AI's Pals concepts throughout the day, the teacher shapes a caring environment, encouraging independent thinking, use of self-control, healthy decision-making, and peaceful problem solving. A nine-lesson booster curriculum may be used during the second or third grade to reinforce skills learned through the core lessons.

AI's Pals includes a parent component. Letters from AI are regularly sent home to inform parents about the life skills their children are learning and suggest activities parents can use to help their children practice and retain these skills. The curriculum also includes "AI-a-grams" – school-to-home messages, delivered home by the children, that recognize positive behavior noted at school (e.g., caring about others' feelings or calming down).

K-12 Math

Next month, I'll highlight new special education math interventions we put in place this year to extend our ability to differentiate instruction for diverse learners: iReady Math for K-5 and Math 180 for grades 6-12.

FRENCHTOWN PRESCHOOL NEWSLETTER

WELCOME TO FRENCHTOWN!

Dear families,

It is my pleasure to welcome you or welcome you back to the Frenchtown School District. If you are receiving this newsletter, your preschool child is enrolled in the Special Education Preschool Program. I am delighted to serve as your child's teacher and case manager during the upcoming year or years!

My name is Dana Lozier. This year marks my 23rd year teaching. I have taught children from birth to college, however, preschool is definitely my favorite age to teach. I am thrilled to return to this age group. This will be my third year in Frenchtown School District as a special education teacher. I am completing my SPED Endorsement this year in addition to beginning my doctoral dissertation on Preschool! In the past, I have worked in Pennsylvania, Florida, and the Virgin Islands. I have worked in a wide range of schools from public, to charter, to private. I have even owned my own preschool. I am thrilled to put all this knowledge to work for you and your family!

I am a very supportive teacher and I look forward to open lines of communication. In fact, I have included many options to reach me below in this newsletter. Please store my number in your phones! I ask that you text rather than call as my schedule does include teaching the Kindergarteners in the afternoon as well each day. I will always get back to you as fast as I can with any questions or concerns!

Please reach out if you need anything. I hope to see you on Monday at Open House (see below for details).

Also, just so you know, the kids call me Lulu (it is way easier than Mrs. Lozier)!

-Dana (aka Lulu)

Please stop by Elementary Room 107 to check out the beautiful environment that your child will learn in this year. I look forward to meeting you! Please feel free to bring supplies on the list in this newsletter so that you don't have to send them with your child in their backpack on the first day.

30TH

School starts on Monday, August 30th for Preschool and Kindergarten. Preschool will run from 8:15 to 11:15, Monday to Thursday for the school year. Bus service will be arranged directly with Teacher Lulu.

Please bring the following for your child by the first day of school:

1. Box of Kleenex
2. Water Bottle (to keep at school)
3. Slippers or shoes (to keep in preschool classroom)
4. 4 chunky pencils (the larger ones)
5. One pack of Washable Markers

WHY SEND IN TOOTHPASTE? SOME OF LULU'S PLANS...

In the next edition of Busy Bees News, you will learn more about my philosophy for early childhood education. I don't wish to overwhelm you now. I would prefer to give you bits and pieces at the moment.

Please note that we will be serving a snack each day in preschool. The children will be served by one another, pour their own drinks, talk about mindful eating practices, and clean up their areas once excused (supervised by myself or Megan to ensure that allergies or intolerances are addressed). Eating with children is important to establish norms of behavior at mealtimes and a relaxed atmosphere around food. Additionally, the experience will promote making healthy choices. If you have further interest in ways to enhance feeding your family, a great place to start is reading Ellyn Satter's books or visiting <https://www.ellynsatterinstitute.org/>

centric to provide developmentally appropriate toothbrushes for our classroom. We will sanitize them daily and keep them covered and away from each other. We hope that this experience helps or enhances with your oral hygiene routine at home.

More to come about Lulu's early childhood philosophy in the next edition of Busy Bees News.

MEET TEACHER MEGAN, CLASSROOM PARAPROFESSIONAL

Hello! My name is Megan Clifford and this will be my first year working for the Frenchtown school district as a paraprofessional. I am the mother of 2, born and raised in Montana and I have 8 years experience working with preschool aged children. I believe in creating a nurturing, loving environment where children can build confidence while learning and growing at their own pace. I am so incredibly excited for this school year and to have the opportunity to work with your children!

This is a snap shot of the FTSD enrollment numbers over the last several years. I did change the categories to reflect what we are currently doing with four different grade level separations. These numbers are not our ANB, but just what we are starting the school year with and this does include our remote learner numbers.

MSGIA BOARD MEETING

Regular Fall Board Meeting and Strategic Planning Meeting – 9/23-9/24

OCTOBER 21-22 - NO SCHOOL – Teacher PIR/MCEL

Many teachers have participated in workshops throughout the summer in order to get the opportunity to enjoy a couple of days off with family. Let me know if you are interested. The agenda is in the packet.

BUSING/TRANSPORTING STUDENTS BETWEEN CAMPUSES:

The administration and transportation department met on Tuesday, September 7th to brainstorm ideas to become more efficient between campuses. What we came up with is just a little improvement here and there could result in really helping the situation. We receive pictures of cars backed up for a long ways, but then in the end, the loop does go pretty quickly...relatively speaking.

- Parents are starting to use the loop on Hamel Road this will congest a bus.
- We have replaced 40% of our transportation staff.
- We have new families

- We have 300+ students in the middle school – finding a happy medium of not dropping them off too soon before school and also picking them up rather quickly when school is out.
- Sibling drop-off/pickup
- Additional students using the buses this year adds time to the loading and unloading.
- Additional number of littles – growing numbers of Kindergartners and Early K's. It takes time for them to learn the ropes and prepare to load and unload.
- Additional students period.
- We aren't talking about big changes, but just a little tweak here and there will help quite a bit.
- We have a call into the county about trying to paint a bus lane or a stop lane which will allow buses to turn left easily.
- The above information along with the letter below will go out to families.

Bronc Families,

For our families using the pickup loop on the west end of the Elementary / Intermediate school campus, we'd like to ask everyone to not use Hamel Road. This is our primary exit point for our school buses and there isn't a lot of room for a line of cars AND school buses on Hamel. Please stay on Main Street and do not attempt to make access to the school using Hamel. I'd also like to encourage everyone to leave plenty of room at the intersection of Main Street and Hamel. Again, our buses are very large and require plenty of room to make the left hand turn as we leave school. A little help from everyone goes a long way as we work to get all students home safely and efficiently.

Thank you and GO BRONCS!

WESTERN MONTANA ASSOCIATION OF SCHOOL SUPERINTENDENTS
(WMASS)

Agenda is included in the packet. I did not attend, but this is what was discussed!

BEHAVIORS

We have seen some odd behaviors to start the year: tik tok devilties, a nationwide craze where students video destructive behaviors. We have had several burnouts on both campuses, a bit of vandalism on the SC – no damage, but why? We have had students out past midnight and up to 2:00 a.m. walking around on SC and have a report of mischief behavior. We had a vehicle stolen from the SC – yes it was found! The admin has done a good job of working through this stuff, but it is a pain for maintenance, SRO, and admin when there are other items to work on.

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.

FRENCHTOWN SCHOOL DISTRICT

SAFE RETURN TO SCHOOL AND CONTINUITY OF SERVICES PLAN

Date of Original Adoption: 3/26/2020

Date Plan was Last Revised: 5/5/2020

Next Regularly Scheduled Month for Consideration (At least quarterly): 8/18/20, 9/15/20, 10/20/20, 11/17/20,
12/15/20, 1/19/21, 2/16/21, 3/16/21, 4/20/21, 5/18/21, 6/15/21

Dates Reviewed: 8/18/20, 9/15/20, 10/20/20, 11/17/20, 12/15/20, 1/19/21, 2/16/21, 3/16/21, 4/20/21, 5/18/21,
6/15/21, 9/21/21

March 2020 - June 2021

1. The Frenchtown School District was ordered to close to in person instruction on March 15, 2020, under an executive order issued by then-Governor Bullock. Districts were provided a two week period of time during which they could remain fully closed to instruction of any kind while developing a plan for remote instruction required by the Governor.

Although our district was authorized to remain closed, we quickly mobilized and began remote instruction during the timeframe when we were authorized to remain closed. Thereafter, our district continued pursuant to a reopening plan approved by the Governor beginning March 30, 2020.

2. On April 22, 2020, then-Governor Bullock lifted his Stay at Home Order, and Announced a Plan to Begin Phased Reopening of Montana. As part of that plan, effective May 7, 2020, all schools were provided the option to return to in-classroom teaching at the discretion of local school boards.

Our school district finished the 2020-21 school year through remote instruction. During the 2020-21 school year Frenchtown was open entirely from start to finish. The only exception during this timeframe was temporary closing of classrooms or removal of students due to county health quarantine, close contacts or individual positive Covid-19 test results.

- i. In person instruction was provided the entire year to grade 4th-8th to 80%-100% of students.
 - ii. Hybrid was provided to grades K-3 and 9-12 students- 80%-90% in person and 10%-20% online.
 - iii. Offsite live streaming was provided to between 1% and 20% of grades 4th - 8th students
3. Our district developed a plan for reopening to in person instruction, with contingencies, and we implemented that plan for the 2020-21 school year. The reopening plan, details regarding which are provided below, included adoption of various model policies provided by the Montana School Boards Association under its 1900 Series, including model policies aligned with CDC guidance regarding mitigation strategies to limit exposure to and transmission of COVID-19 in school settings.

4. Our district is finishing the 2020-21 school year strong, having provided high quality learning opportunities to the students in our community in safe and effective learning environments.
5. We embraced a fundamental principle of providing extensive transparency to our community throughout the above timeframe. We publicly noticed, held meetings regarding, and provided extensive opportunities for our community to provide us with feedback regarding the School District's plans and we carefully considered such feedback in developing and refining the School District's plans throughout the last 14-15 months.

Safe Return to Schools and Continuity of Services Plan Contents:

March 2020-June 2021

Part I: Documentation of Meaningful Consultation in Developing and Refining the School District's plan from March 2020 Through June 2021:

We noticed, held, and invited public comment on our evolving plans for a safe return to school and continuity of services on the following dates since March 2020:

1. 3/15/2020- School was closed for two days
2. 3/18 & 19/2020- Online instruction started: All parents and students were directed to come to the school and pick up materials, chromebooks, packets, textbooks and any other materials deemed necessary to complete the school year.
3. 3/36/2020- MOU with certified and classroom teachers unions regarding Covid-19 protocols to complete the 2019-2020 school year.
4. 3/26/2020- Plan was submitted to the Governor's office for the duration of the 2019-2020 school year. Packet pickup and google classroom were used to deliver instruction from 3/18/2020-5/25/2020.
5. 4/21/2020- Governor's office ordered the school closure to be extended through April 24, 2020. CARES act funds were discussed with the public and the school board during the normal scheduled board meeting.
6. 8/7/2020 Parent Survey response reported- 85% wanted to send kids to school/14% remotes1% undecided (700 parents actively participated)
7. 8/17/2020- Parent online meeting Start and end times
8. 8/21/2020- Board meeting to finalize reopening plans
9. 8/30/2020- Community meeting with administration regarding reopening plan.
10. 8/18/20- Board meeting review of districts response to Coid-12 (Virtual and Inperson attendance available to all constituents in FTSD)
11. 9/15/20 Board meeting review of districts response to Coid-12 (Virtual and Inperson attendance available to all constituents in FTSD)
12. 9/15/2020- MOA signed with School District, Classified and Certified Unions

18. 3/16/21 Board meeting review of districts response to Coid-12 (Virtual and Inperson attendance available to all constituents in FTSD)
19. 4/20/21 Board meeting review of districts response to Coid-12 (Virtual and Inperson attendance available to all constituents in FTSD)
20. 5/7/2021- Letter was sent to parents regarding special board meeting regarding Missoula County Health protocols
21. 5/11/2021- Administrative team streamed to all the community regarding following Missoula County Public Health protocols
22. 5/18/21 Board meeting review of districts response to Coid-12 (Virtual and Inperson attendance available to all constituents in FTSD)
23. 6/15/2021 - Report of plan completion at Board Meeting

Our invitation for public input included a general opportunity for the public to provide input and was provided to everyone interested, including:

1. Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and
2. Tribes; civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Part II: Contents of The School District's plan for Safe Return to In-Person Instruction and Continuity of Services:

1. A description of how the district will maintain the health and safety of students, educators, and other staff:

Following the lifting of the Stay-at-Home Order and subsequent reopening of the state on April 22, 2020, Frenchtown School District utilized the Montana Public Education Center *Roadmap for Safely Reopening Montana's Public Schools Using Emergency School District Policies* and accompanying MTSBA Model Emergency Policies. Utilizing these resources supported our district's continued service to students with transparency and accountability while ensuring the operations of the school district reflected the circumstances in our community.

The policies ensured our Board of Trustees and school leaders honored the following priorities: quality instruction to students; a healthy and safe setting for students, staff, and the community; needed support of teachers and staff; and responsible financial and operational procedures. The policies provided an actionable plan for completing the 2020-2021 school fiscal year in a manner that met these priorities and secured district funding while providing an operational platform for considering long term innovations in the delivery of education services.

Frenchtown School District implemented policy options that facilitated collaboration between the Board of Trustees, administrative team, employees, parents, students, health officials, and community as we established protocols aligned with CDC guidance addressing how instruction was to be delivered to students; how gatherings and events would take place on school property; how the health and safety of staff and students would be protected and preserved while schools were open; and how financial and operational functions of the school district would continue during the period of public health emergency.

Frenchtown School District reviewed, considered, and addressed numerous areas of operation in our reopening process. On the topic of school district policy and procedures, the district considered emergency policies and procedures, adoption and amendment of policies, suspension of policies, and administrative procedures. To support students' academic, mental, social and emotional success, the district considered alternative grading, counseling, extended school year, student instruction proficiency determinations and declarations, support for particularly vulnerable students, transportation services, access to internet for students, food preparation and service, summer school and additional student instruction resources. To ensure the health and safety of students, teachers, and staff, the district considered cleaning and disinfection, community use of facilities, county board of health orders, diagnosis and confidentiality, hand washing and related hygiene protocols, telework, school closure orders, stay at home orders, symptom monitoring and isolation, travel quarantines, visitors, volunteers, vulnerable individuals, masks and personal protective equipment, and physical distancing.

Following the *Roadmap for Safely Reopening Montana's Public Schools Using Emergency School District Policies* ensured Frenchtown School District has remained in compliance with guidance and best practices provided by federal, state, or local health officials. Our school district has continued to adapt and adjust our policies as new and updated guidance and best practices have become available.

Further, the policies provide options for consideration through input from our board of trustees, administrative team, employees, parents, students, health officials, and community as collaborative partners as we have worked our way through ever evolving changes due to the pandemic. By considering all possible perspectives and factors when making the decisions to adopt or adjust a policy, or to implement a policy, we focused on the health and safety of our students, staff, and community for delivery of learning and services to our students. The policies have enabled us to adjust our procedures and practices during different phases in compliance with guidance and best practices provided by federal, state, and local agencies.

Frenchtown School District will continue to follow the policies noted below while engaging in a quarterly reevaluation process to continue to ensure the health, safety and wellbeing of our students, teachers, staff, and community through 2024.

2. The extent to which the district has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:

Topic	School District Policy Reference	Description of Policy (All referenced policies can be found at the end of this document.)	Policy Adopted and Revised Date(s)

<p>Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.</p>		<p>3417: In all proceedings related to this policy, the District will respect a student's right to privacy. Although the District is required to provide educational services to all school-age children who reside within its boundaries, it may deny attendance at school to any child diagnosed as having a communicable disease that could make a child's attendance harmful to the welfare of other students. The District will rely on advice of the public health and medical communities in assessing the risk of transmission of various communicable diseases to determine how best to protect the health of both students and staff. The District will manage common communicable diseases in accordance with Montana Department of Public Health and Human Services guidelines and communicable diseases control rules. The District may temporarily exclude from school attendance a student who exhibits symptoms of a communicable disease that is readily transmitted in a school setting. The District may notify parents of other children attending a school that their children have been exposed to a communicable disease without identifying the particular student who has the disease.</p>	<p>2. 11/13/01- Reviewed 6/17/14</p>

The law also provides that it is unlawful for an employer to refuse employment to a person, to bar a person from employment, or to discriminate against a person in compensation or in a term, condition, or privilege of employment based on the person's vaccination status. Finally, House Bill 702 provides that it is unlawful for a public accommodation to exclude, limit, segregate, refuse to serve, or otherwise discriminate against a person based on the person's vaccination status.</p> <p>3413: Upon initial enrollment, an immunization status form shall be completed by the student's parent or guardian. 		the child; and/or (3) the educational placement of the child, the parents of the student are entitled to certain procedural safeguards. The student shall remain in his/her current placement until the matter has been resolved through the process set in the policy.	
Coordination with State and local health officials.	1900; 1907; 3417	<p>1900: In light of the COVID-19 pandemic, the Board of Trustees has found it necessary to adopt temporary policies related to emergency school closures, the ongoing provision of educational services to students, meetings of the Board, gatherings on school property, health and safety of students, staff and community members, human resource matters and budgetary matters. To ensure clarity and transparency, the board has organized all emergency school policies into a temporary chapter. Part III – Updated Compliance for the District's Previously Adopted Plan for the Safe Return to In-person Instruction and Continuity of Services:

Section 2001(i)(3) of the ARP Act states that a school district that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (*i.e.*, is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The School District's plan meets the requirements of Section 2001(i)(1) and (i)(2) of the ARP Act. The School District's plan is available on our website and, as noted above, was developed through a process that included extensive public comment. Further, we have, as part of the organization of the School District's plan for purposes of the ARP Act, revised the School District's plan at a meeting held on 6/25/2021 that included not just a notice of opportunity for public input but which specifically invited meaningful consultation with and input from:

1. Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and
2. Tribes; civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

We have considered the input of all affected parties and have carefully deliberated regarding the best possible means by which our district can provide safe effective learning environments for each of our students.

June 2021 - September 30, 2024

Part IV – Schedule for Future Review and Updates:

Consideration of this Safe Return to Schools and Continuity of Services Plan shall be added as a standing agenda item on each regular and special meeting of the board of trustees throughout the 2021-24 school years. The agenda item shall, at a minimum, include notice of any changes to the plan recommended by the administration with an invitation for input, notice of opportunity for public input, and consultation with:

1. Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and
2. Tribes; civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

**FRENCHTOWN SCHOOL DISTRICT
THE 2021 REOPENING
FRENCHTOWN SCHOOL DISTRICT**

The Frenchtown School District is starting school for students in person on Wednesday, August 25. Distance learning will not be offered during the 2021-2022 school year. The Frenchtown School District will have regular start and end times with or without masks. The Frenchtown School district is recommending, not requiring masks.

FTSD PRECAUTIONS:

- Increased air flow in classrooms
- Global Plasma Solutions (GPS) ionizations (installed a year ago and additional GPS units are being installed)
- Cleaning and sanitization protocols maintained
- Protexus sprayers utilized
- Contact tracing protocols in place
- Additional Kindergarten Class added due increasing numbers and smaller class sizes
- Additional High School Classes added due to increasing numbers and smaller class sizes
- Additional 4th Grade Teacher due to create smaller classes in the Intermediate School
- Additional Guidance Counselor to assist with possible mental health issues and students who need to talk.
- Additional Title Math Teacher for Middle School students.
- Should the community begin to escalate at a rate and recommendations turn to requirements or numbers begin to grow at a rate greater than we have experienced, then the district will enact additional protocols including but not limited to masking, cohort groups, and lunchroom changes.
- We ask if your child is experiencing symptoms of illness to please keep them home until they are symptom free for 24 hours.

FRENCHTOWN SCHOOL DISTRICT

The COVID-19 vaccine is available to all people ages 12 and up. The CDC recommends masks to be worn in substantial or high transmission. Missoula County is not in this domain. The transmission of children ages 0-9 is low and well documented. The importance of education, mental health, and economic stressors for parents are also factors. These are the reasons why we are planning to reopen school five days a week. We had challenges last year and challenges will continue. Masks are recommended/optional, not required. There will be a school board meeting on Tuesday, August 17th at 7:00 p.m. if you would like to attend in person or virtually.

EDUCATIONAL PLANS FOR COVID RELATED QUARANTINES AND ILLNESS:

FRENCHTOWN ELEMENTARY SCHOOL ILLNESS HOMEWORK REQUESTS

In the event an elementary student becomes infected with Covid 19 or is placed on quarantine by the county ([documentation required](#)), students will be given access to education through the following means:

- Communication will be made with the teacher to provide homework assignments. Homework will be available for pick up at the office, outside the school doors, or can be mailed.
- Students who need to check out a ChromeBook during the absence can do so through the library
- Students will have access to digital curriculum through Google Classroom and Google Sites
- Parents of students who are considered a possible close contact will be notified.

As an Elementary School, we are aware that each situation will be unique. Therefore, we will take each situation and examine what would be in the best interest of the student on a case-by-case basis.

FRENCHTOWN INTERMEDIATE SCHOOL COVID RELATED HOMEWORK REQUESTS

Each student is assigned a Chromebook that has been checked out to them at the start of the school year, and is currently stored in their classroom. In the event of a student or students being quarantined, the Chromebook and materials will be sent home with them or picked up by a parent/guardian.

All teachers in 5th grade are posting assignments or topics daily on Google Classroom in their subject specific areas. How to access Google Classroom page will be sent home with class codes for each teacher. All teachers in 4th grade have Google Classrooms set up specifically for students on quarantine that is updated with assignments and topics.

Students will be responsible for logging in to Google Classroom and completing the assignments that are posted. Any assignment that students have issues with, they can email their teachers for clarification or support. Upon each student's return, teachers will help coach them up on any content issue they may have had while out on quarantine.

FRENCHTOWN MIDDLE SCHOOL COVID RELATED HOMEWORK REQUESTS

In the event a MS student becomes infected with Covid 19 or is placed on quarantine by the county (documentation required), students will be given access to education through the following means:

- Google Classroom—assignments will be posted with instructions
- Google Meets –depending on the student, length of quarantine and the accessibility of technology some teachers will have the students virtually present
- Teachers will communicate with students via their FTBroncs account
- Books, homework assignments and materials will be available in the office to be picked up if the student does not have access to the internet
- Upon return to school teachers will check in with students to verify they are caught up in each of their classes
- In the case of documented Covid or quarantine the 10 day attendance policy will not be in effect

As a Middle School, we are aware that each situation will be unique. Therefore, we will take each situation and examine what would be in the best interest of the student on a case-by-case basis.

FRENCHTOWN HIGH SCHOOL COVID RELATED HOMEWORK REQUESTS

In the event a HS student becomes infected with Covid 19 or is placed on quarantine by the county (documentation required), students will be given access to education through the following means:

- Google Classroom—assignments will be posted with instructions

- Google Meets –depending on the student, length of quarantine and the accessibility of technology some teachers will have the students virtually present
- Teachers will communicate with students via their FTBroncs account
- Books, homework assignments and materials will be available in the office to be picked up if the student does not have access to the internet
- Upon return to school teachers will check in with students to verify they are caught up in each of their classes
- In the case of documented Covid or quarantine the 10 day attendance policy will not be in effect

As a high school, we are aware that each situation will be unique. Therefore, we will take each situation and examine what would be in the best interest of the student on a case-by-case basis.

Hi Jake,

I wanted to keep you in the loop, and let you know I was able to lock down a new position. I did inform them that I wanted to make sure you all had the support you needed before I left, so I wanted to check in with you and maybe discuss when you want my last day to be, and anything else you need as I transition out of the permanent substitute role.

Warmly,

Madison

Elementary District Responsible for Reimbursing Contract	County	Legal Entity
High School or K-12 District Responsible for Reimbursing the Contract	County	Legal Entity

Is this a contract shared between elementary and high school?

Yes No

Are you applying for isolation status? Yes No

(If yes, please attach explanation)

Isolation: Section 20-10-142, MCA provides for increased reimbursement rates for special circumstances of residence. In order to receive increased rates, individual circumstances must be reviewed and approved by the trustees of the district, the county transportation committee, and the Office of Public Instruction. (10-7-116 ARM provides guidelines for such.)

Check here only if increased payment due to isolation has been approved

Agreement between parent (parent name) _____, and school district (district name) _____

County, hereinafter referred to as the District(s).

The parties agree as follows:

- The parent shall transport or provide transportation for the student(s) to and from the school or bus stop on the days when school is in session. The parent or guardian assures that a licensed and insured driver will transport the students. Mileage contracts are valid only when transportation for the distance reported on the contract actually occurs.
- In March and June, the District shall pay the parent the sum officially approved in the application upon certification by the teacher or principal of the school of the number of days the student(s) was transported for the past semester.
- The payment shall be computed on the basis of the schedule established in Section 20-10-142, MCA, and the information accompanying this contract.

I attest the above information is true and correct

FINANCIAL/BUSINESS MANAGER REPORT

General Financial Info:

Preliminary Revenues vs. Actual Expenditures are as follows:

Total Revenues Received YTD August 2021: \$ 873,713.00
 Total Expenditures Committed YTD August 2021: \$1,420,499.50

It is normal for expenditures to outpace revenues at the beginning of each fiscal year. Operating reserves allow the district to continue normal business operations prior to receiving state entitlements and tax levies.

Expenditures August 2021:

For the General Fund in August 2021, expenditures (including encumbrances) total \$191,993.37. For comparison, expenditures in the General Fund for August 2020 were \$194,755.19. For August 2021, approximately 3% of the General Fund has been committed, compared to 4% as of August 2020.

Total expenditures (including encumbrances) for all funds in August 2021 were \$929,816.42 compared to \$593,615.18 in August 2020. This increase is primarily due to the recent bus purchases.

Encumbrances are items in purchase order status – the expenditure is committed but not yet paid.

Cash Transfers for August 2021:

Payroll: \$ 210,736.16
 Claims: \$ 279,705.17
 Total \$ 490,441.33

Cash transfers represent actual payments made in the current month, which could include items from a previous month (or fiscal year) in purchase order status.

A full claims warrant report is in your packet.

Student Activity Fund: The report is in your packet.
