

STUDENT COUNCIL

The Yale Board of Education believes that the student council is one of the most important organizations in the high school. A laboratory of citizenship, the student council is a cooperative group working with the principal to promote better understanding between students and the faculty. The council provides students with an opportunity to have a voice in the management of school affairs.

The superintendent is directed to prepare appropriate rules and regulations in support of this policy.

Adoption Date: August 10, 2015
