

**STUDENT ACTIVITIES
SOCIAL AFFAIRS**

The Yale Board of Education believes that students benefit from social activities sponsored and supervised by the school staff. Therefore, activities such as the annual junior-senior banquet, school dance, and an annual class party are permitted. There must be at least three sets of parents and/or sponsors present at each dance.

Organizations may have parties that do not require loss of school time. Such activities are not part of the school curriculum and will not be sponsored by school personnel acting in an official capacity for the school.

Adoption Date: August 10, 2015
