

STUDENT PUBLICATIONS (REGULATIONS)

In accordance with the policy of the board of education, the following regulation will govern the review, approval, rejection, or revision of student prepared articles for publication. This regulation will also govern the appeal process for students wishing to appeal the rejection or revision of an article proposed for publication.

1. All materials must be submitted to the building principal before the materials are published.
2. Requests for publication must be accompanied by a copy of the material(s) students wish to publish.
3. The principal will ordinarily authorize publication provided:
 - A. The material is written by students currently enrolled in this school district.
 - B. The authors are identified in a conspicuous location on all materials.
 - C. The material is free from libel, slander, obscenity, personal attacks, or incitement to illegal action(s).
 - D. The material is free from unauthorized solicitation.
 - E. The material is free from advertisements of cigarettes, liquor, illegal or illicit drugs, or drug paraphernalia.
 - F. The material is distributed as directed by the principal in such a manner as not to interfere with or disrupt the normal educational process.

Students and/or other school personnel in violation of this policy and regulation will be subject to appropriate disciplinary action. Any disciplinary action taken will not abridge any individual's rights to due process under other district policies or under the law.
