Girl's age groups are: 9 & under (play 6 holes), 10-12 (play 6 holes), 13-15 (play 9 holes), and 16-18 (play 18 holes)

Parents are encouraged to help monitor play, as well as record and verify scores, but WILL NOT be allowed to provide coaching advice or cart rides during the events. *Cart rides may be provided to transport players when groups are starting/finishing in a location far away from the clubhouse* All golfers 12 & under will receive an award at each event. Golfers may choose to compete at an elevated age group but not in an age group lower than his/her age. Your age group will be determined by the age of the participant at the start of the first event. **Proper golf attire (collared shirt or jacket) is required, along with proper bottoms. No denim or gym shorts please!**

***POINTS SYSTEM (format used to determine season champions):** There are 7 tour events and the combined total received at all events will be used to determine the season champion in each division. Golfers need to participate in a minimum of 4 events to be eligible for the championship. First place for each event is equal to the number of participants playing on each date in his or her division, not to exceed 10 points; second place is half the number of participants; third place is one point less than second, etc. Example: 10 participants 1st=10 points, 2nd=5 points, 3rd=4 points, 4th=3 points, 5th=2 points, 6th-10th=1 point. Ties for 1st, 2nd, and 3rd will be broken by sudden death holes, putt-offs, or chip-offs. All other ties will be awarded equal points. The top three in each age group will receive awards at each event and then at the final tour stop for the overall championship, as well.

2023 Rules Page

Rules for Boys & Girls 16-18, as well as Boys & Girls 13-15 Age Groups

- **Out of Bounds Rule:** All Out of Bounds stakes; red, white, yellow, or any other color, will be played as a lateral hazard. Please decide with your playing partners where you think it crossed the hazard, take your penalty stroke, and drop a new ball one club length from the decided location.
- **Double Par Rule:** Max shots from tee to green is double par. For Par 3's this is 6, Par 4's this is 8, and Par 5's this is 10. If you have hit your 6th/8th/10th shot and the ball is still not in the hole, pick it up and move on to the next hole. *If you do not hole out, please circle the max score and an additional stroke will be added for that hole.
- **Parent Rule:** Parents are not allowed to provide advice about non-rule related issues and cannot offer you a ride in their cart or carry your bag in their cart. You must push, pull, or carry your own bag at all times. It is suggested that parents stay about 100 yards ahead of play so that they can assist with finding lost balls when necessary. There is also a 3 minute time limit for searching for a lost ball.
- **Unplayable Lie Rule:** If your swing is obstructed by a man-made object or something else out of your control, such as a large branch, and everyone in the group agrees that your swing is affected, take one club length without penalty and continue playing.
- **Swing & Miss Rule:** If you take a legitimate swing at the ball, not a practice swing, it does count toward your total for the hole.
- **Ready Golf Rule:** Golf etiquette dictates that the person furthest away from the hole "goes next," but to speed up play we don't need to follow this etiquette except when putting. If you get to your ball, as long as you and your playing partners are not in harm's way, go ahead and play your shot.

Rules for Boys & Girls 9 & Under, as well as Boys & Girls 10-12 Age Groups

- **Out of Bounds Rule:** All Out of Bounds stakes; red, white, yellow, or any other color, will be played as a lateral hazard. Please decide with your playing partners where you think it crossed the hazard, take your penalty stroke, and drop a new ball one club length from the decided location.
- **Max Score Rule:** Max shots from tee to green is 10. If you have hit your 10th shot and the ball is still not in the hole, pick it up and move on to the next hole. **If you do not hole out, please circle the max score and an additional stroke will be added for that hole for tie-breaking purposes, effectively making your score an 11 on that hole.**
- **Parent Rule:** Parents are not allowed to provide advice about non-rule related issues and cannot offer you a ride in their cart or carry your bag in their cart. You must push, pull, or carry your own bag at all times. It is suggested that parents stay about 100 yards ahead of play so that they can assist with finding lost balls when necessary. If you get to your ball, as long as you and your playing partners are not in harm's way, go ahead and play your shot.
- **Water Hazard Rule:** If you hit a ball in the water, do not hit over the water again, walk to the other side of the water and hit from there. You will still be assessed a penalty stroke and be allowed to drop a ball one club length from the hazard.
- **Bunker Rule:** Max shots out of a sand trap is 2. If you have taken 2 attempts and can't hit it out, take the ball out and place it in the grass next to the bunker and continue playing. There will not be a penalty stroke assessed for this.
- **Individual Stroke Rule:** You are allowed to roll the ball no more than 6 inches, without changing the cut (a ball in the rough must stay in the rough, etc) on each shot that is not on the green. This does include the fringe, you can roll the ball on the fringe even if you are going to putt the ball.
