BUILDING REPORT FOR THE MONTH OF
June 2018**

Principal: Mark Zoppina

School: Penn Beach

I. EDUCATION

Elementary Field Day at Penn Beach was held this month. Mr. Hoyt did a great job coordinating this event. Weather conditions were favorable. Many parents helped out with the various field events. A great time was had by all!

We held our annual recognition ceremony after Field Day. Students were recognized for academic achievement, participation in the Accelerated Reader program, musical/artistic ability, etc.

There was an AR bouncy house event at PB this month. There were criteria in place such as points earned and overall test average in order for students to be eligible to participate in this event.

Pennsville's Graduating Class of 2018 walked the halls of each school this month. It was a great experience for all students involved.

We analyzed results from a parent survey our school sent out last month. We were very pleased by the overwhelming positive feedback we received regarding our school.

Select 4th and 5th grade students participated in the Salem County Math Showcase event this month. They worked hard and represented Pennsville well.

Penn Beach made a Board presentation on our Career Week activities that took place this year. Mrs. Warrington, Mrs. Chambers, and Ms. Relly coordinated our Career Week and joined me for the presentation.

Fifth graders were treated to their annual 5th grade trip this month. They went to Camp Edge. The Ed Foundation funded this event.

I met with teachers this month for their summative evaluation conferences.

We experienced a smooth closing in June at Penn Beach School. The staff did a fantastic job with closeout procedures.

The end of the school wrapped up well. The Race for Education went well.

V. Board Report June 2018 Nurse

There was one student and one staff accident reports submitted this month.

I have had 213 office visits this month. The visits have been primarily for allergy symptoms, viral illnesses, gastrointestinal illness and symptoms, respiratory infections, minor playground

injuries, and asthma. My total office visits for the year was 2609.

I have prepared the 3rd grade medical records for transfer to Penn Beach. Wendy VanGemert and I discussed student health needs for her incoming students. I also met with Charlotte Humphries to review the incoming 2nd grade health files. I mailed packets home for our students that have medical needs and/or take medications on a daily or as needed basis. These packets include medication order forms, asthma action plans, allergy action plans, district required Epi-pen forms and Individualized Emergency Medical Plans (IEMP). I have also been in contact with parents reminding them to pick up any student medications that are in the office by the end of the school year.

Parents continue to bring in medications for their children that need to be administered during the school day. To date, there are three students receiving daily medications including one diabetic student, three students with severe food allergies or other allergic condition that require an epi-pen for emergencies and eleven students with medication as needed.

I continue to have conferences (formal and informal) with several of our families concerning the medical, emotional, and dietary needs of their children. I have also had conferences with DYFS case workers as needed. Continue to participate in 504 conferences as needed.
