Timestamp	Email Address	Workshop Date(s)	Name of Attendee	Name of Workshop	Summary of Workshop
4/9/2018 8:47:3	mhealy@pv-ee	2/9-2/13, 2/16-	Mike Healy	Glazier Football Clinic	I attended three of the Glazier football clinics over three different weekends. At these clinics I was able to listen to speakers from the pro, college, and high school ranks speak on a variety of topics. The topics included ways to improve the team on the field, team building, off-season training, coach development, and how to better be a role model for your players. Many of these coaches I now email back and forth and am able to use them as resources throughout the year. I was also able to talk to new fundraising companies in order to try and find fundraisers that may work well for our team.
4/9/2018 10:15	aslusher@pv-e	03/13/18	Adam Slusher	DAANJ Conference	I attended multiple sessions daily on athletic administration and had a particularly interesting roundtable discussion on the future of PE that was very valuable. Will be and have brought some ideas to the table from the roundtable for the 18-19 school year.
4/23/2018 9:27	mhovanec@pv	04/19/18 and 0	Martha Hovanec	Action Research	I met with the Director of Libraries and her team for Baltimore County Public Schools which serves over 113,000 students in 173 schools to get an overview of the district library program and how their libraries are transforming to meet the needs of a students and teachers, especially in schools with 1-to-1 digital devices. Ms. Glick and her staff escorted us to 10 schools in the district to see how they now use the library space and to hear about the process, challenges and successes. The key take-aways were about flexibility of space, genrefication of the collection, and makerspaces. We were also very impressed by the district-wide curriculum and projects which are all available online to every librarian. It was an amazing experience. I am grateful to our district for providing this opportunity.
4/24/2018 14:2	sburstein@pv-	April 20, 2018	Susan Burstein	Voice Disorders in Ch	In this workshop, various types of voice disorders were described, in conjunction with how to perform a clinical evaluation, stressing the importance of a medical evaluation. Strategies for treating vocal abuse with behavioral management techniques, as well as specific techniques for addressing the hyperfunctional voice, were shared. A related disorder, Paradoxical Vocal Fold Motion (PVFD), was described, and its method of treatment was demonstrated.
4/25/2018 8:50	csilver@pv-ea	April 20, 2018	Cynthia Silver	Voice Disorders in Ch	In this workshop, several types of voice disorders were described, in conjunction with how to perform a clinical evaluation, stressing the importance of a medical evaluation. Dear Salon Owner/Manager:

Once again, we will be asking for your cooperation when scheduling students for hair or nail appointment for this year's Prom. This year's Prom is scheduled for Friday, May 18th. All students planning to attend the Prom on the 18th, must remain in school until early dismissal at 12:04, or they will not be permitted to attend the Prom. Please try to keep this in mind, as students schedule their appointments, should they forget. We appreciate your help and thank you for helping make this a memorable day for our students.

Sincerely,

Mr. Matthew D. McFarland

## Report for March 2018

Visitors to the Library this Month	
Independent Students	472
Classes	33

Circulation Statistics	
Books Checked Out	1007

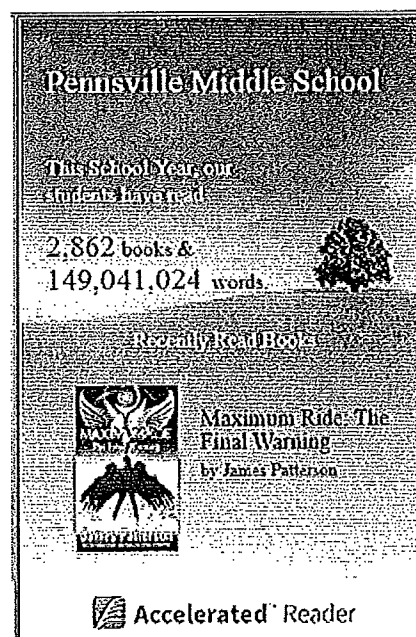

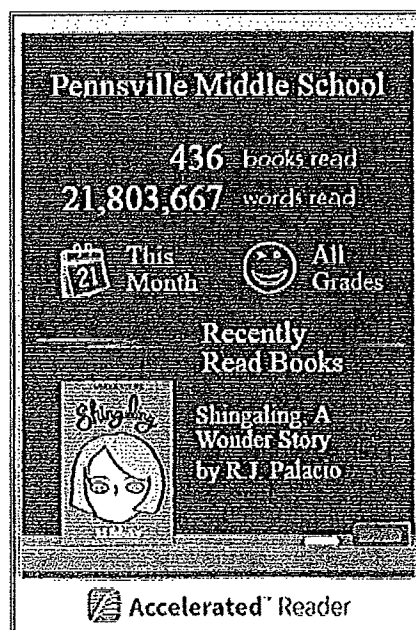

Visitors to the Library this Month	
Books Added to the Collection	54
Books Deleted from the Collection	172

In March, in addition to classes and individual students coming to the library for books, AR quizzes, I also did a poetry exploratory project with almost all of the seventh grade Language Arts classes. I created stations at 8 table in the library with a collection of poetry books grouped by theme (America, Sports, Different Viewpoints, Emotions, American Classics, etc.) Students circulated exploring the books in search of a poem they liked in 6 of the 8 collections. From those 6 poems, they chose their favorite, which they either photographed or found on the Internet so that they had a copy for later use. At the end of the poetry unit, students wrote/will analyze and write about the poem they chose.

March brought many classes and individuals to the library to print images or documents for various projects that required a hard copy. Ms McHenry's eighth graders print an image and using grid lines enlarge it and practice shading. Science Fair students are coming in to print

revisions for their binders and display boards before going to the Delaware Valley Science Fair. Ms McCullough's eighth graders composed a poem inspired by "Stopping by the Woods on a Snowy Evening" and printed a hard copy which they had to illustrate and present.

BUILDING REPORT FOR THE MONTH OF  
March 2018**

Principal: Mark Zoppina  
School: Penn Beach

**I. EDUCATION**

We have been involved in a lot of PARCC test preparation, including scheduling every student for seven days of testing and managing a great deal of information in the Pearson Next system to make testing possible. Many hours of work goes into the admin side of getting PARCC ready for this assessment. Teachers have been paying close attention to their pacing as to cover critical skills and concepts prior to test time.

Teachers administered benchmark assessments this month using a new service known as LinkIt. The also received training on LinkIt. LinkIt offers benchmark assessments linked to our state standards. Teachers are able to generate reports to determine current proficiency of standards, predictive proficiency of standards, how your students compare to others in your class and school, how your class compares to other classes in the school, the progress students are making, grouping reports based on certain standards, etc. This service also warehouses and generates reports on any other student data we want to upload (PARCC, Lexile, etc.). Data from LinkIt will provide more baseline information as well as historical information on students.

The Pennsville Education Association and Pennsville Education Foundation sponsored two Morning with Mom events this month – one for 4<sup>th</sup> and another for 5<sup>th</sup> grade students. They were very well attended.

The end of trimester two took place this month.

A Pennsville Education Foundation meeting took place this month.

We treated our students to a positive Behavior Support event this month. Students were able to purchase a ticket to a movie event with their "Eagle Earnings". It was a great event! Our school-wide PBS initiative continues to evolve and promotes a wonderful school atmosphere centered upon our school's core values – Honesty, Responsibility, Safety, and Respect.

Penn Beach had its first ever career week this month. It was a great week including special presenters, wearing college/school shirts, and dressing up as someone representing a future career.

Penn Beach staff participated in the Battle of the Buildings event this month. It was a fun event.

We held Intervention and Referral Services meetings this month.

I continue to make a daily effort to stop by classrooms for visits and join students for lunch. I believe strongly in being visible to my staff as well as students.

Classroom visitations for the purpose of personnel evaluations have been ongoing during the month of March.

**V. Board Report March 2018 Nurse**

There were zero student and employee accident reports submitted this month.

I have had 229 office visits this month. The visits have been primarily for sore

throats/strep infection, gastrointestinal illness and symptoms, respiratory infections, minor playground/classroom injuries, and asthma.

Parents continue to bring in medications for their children that need to be administered during the school day. To date, there are three students receiving daily medications including one diabetic student, three students with severe food allergies or other allergic condition that require an epi-pen for emergencies and eleven students with medication as needed.

I continue to have conferences (formal and informal) with several of our families concerning the medical, emotional, and dietary needs of their children. I have also had conferences with DYFS case workers as needed. Continue to participate in 504 conferences as needed.

**I. EDUCATION**

The Blue Rocks reading program ran this month. The program is sponsored by the parent group. Children have goals to read a certain number of books. When they reach their goals, they earn as tickets to a Blue Rocks game. Many students participated.

The Cat in the Hat's birthday was celebrated this month. Students completed special classroom activities and special dress up days. The nurse volunteered to dress up as the Cat in the Hat and visited all the classrooms.. A fun time was had by all!

Second trimester report cards were postponed this month until April 4 due to the 4 snow days in the winter months.. They are accessible to parents and guardians online or at request, a hard copy is sent home with students. This information is accessible through a link on our new online newsletters.

The staff members continue to meet to participate in PLCs regarding standards based report card revisions. This year, teachers focused on math revisions and next year will be LAL. The new report card is expected to be implemented during the 19-20 school year.
