Parents cannot opt out of emergency phone calls.

Non-school hours emergency = snow day or building problem.

School hours emergency = power outage

Attendance = secondary calls are sent home daily at 6:00 p.m. for unexcused absences

Attendance = elementary calls are sent between 10:15 – 10:30 a.m. daily if your child is marked absent and you haven't notified the school

General = building or district wide non-critical announcements such as conferences, open houses, etc...

Survey = building or district wide surveys

Parents can add an additional phone number, email address or phone number for a text message and select which messages they'd like to receive. This feature may be used to notify child care providers or other family members that may need to be notified in case of an emergency.

Parents cannot change their phone numbers under 'my skyward contact info' section on the SkyAlert screen, but may request changes to information under the **'student information'** link on the left side of the screen and selecting the **'request change(s) to my child's information'** link in the top right corner of the screen. Parents always have the ability to change their email address under the **'My Account'** button in family access.
