Therefore, for complaints originating at the local level, a complaint should not be filed with the Georgia Department of Education until every effort has been made to resolve the issue through local written complaint

procedures. If the complainant has tried to file a complaint at the local level to no avail, the complainant must provide the Georgia Department of Education with written proof of their attempt to resolve the issue at the local level.

#### **D. Filing a Complaint**

A complaint must be made in writing and signed by the complainant. The complaint must include the following:

If additional information or an investigation is necessary, the Department will have sixty (60) days from receipt of the information or completion of the investigation to issue a Letter of Findings.

If the Letter of Findings indicates that a violation has been found, corrective action will be required and timelines for completion will be included. Either the 30-day or the 60-day timelines outlined above may be extended, if exceptional circumstances exist.

The Letter of Findings will be sent directly to the complainant, as well as the other parties involved.

#### **F. Right of Appeal**

If an individual, organization or agency is aggrieved by the final decision of the district, that individual, organization or agency has the right to request review of the decision by the Georgia Department of Education.
