School Board Meeting: Annual Public Meeting

AGENDA

August 12, 2021

This meeting can be watched on You Tube for all to view.

- I. Call to Order
- II. Establish Quorum
- III. Superintendent's Report

Preliminary Accreditation of Schools: Mountain
View Elementary School- Accredited Mountain
View-Middle School- Accredited Mountain View
High School-Accredited

Rural Special Elementary School-Accredited
Rural Special High School-Accredited
Timbo Elementary School-Accredited Timbo
High School- Accredited

- Teachers follow Arkansas Curriculum Standards
- Student Assessment: Renaissance STAR, ACT Grade 11, NWEA Maps, ACT Aspire, and Civics Exam (Grade 11).
Students in grades 10-12 will participate in the ACT Work Keys Assessment. All students will participate in progress monitoring throughout the year through the NWEA Maps and STAR Assessments. This data will help drive teacher instruction for fill learning gaps.
- Smart Core and Core Curriculum options are available for students at the three high schools. We continue to offer AP course selections as well as Pre-AP courses in the middle grades and early high school. Ozarka College is our partner for concurrent class selections along with Certified Nursing Assistant Certifications.
- Mountain View School District has updated the literacy curriculum materials for all grade levels. OPEN COURT is the program for Kindergarten to second grade. WONDERS is the program for third grade to sixth grade. Both programs are on the approved list of programs for the Science of Reading. My Perspectives is the program for seventh grade to twelfth grade. All of the programs have a digital option that also support student learning.
- Mountain View School District Federal Programs, Gifted and Talented and Special Education Programs continue to provide services for students identified eligible for those programs.
- Mountain View School District annually updates the technology plan to continue adding and improving technology. New Chromebooks replaced out-of-date computers. MVSD is now a one-to-one in all buildings. This means that all students have access to a Chromebook.
- All returning teachers and administration have obtained the credentials needs for the Science of Reading Certification. New teachers to the district will begin working to obtain the necessary professional development for the certification. Teachers are now required to obtain the proficiency level in the Science of Reading for the renewal of an Arkansas teaching license.

• Miscellaneous:

1- MVSD is still at the Provision 2 Status, which allows all students a free breakfast and lunch.

IV. Questions should be referred to the Mountain View Superintendent's Office.

Dismissal

Matt Dearien, President

Lori Dobbins, Secretary

Brent Howard, Superintendent
