

Meet the BOE member

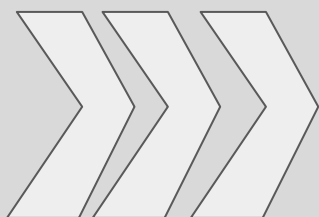

Jaime Mallaney

- Seneca High School - Class of 1996
- BA - Speech Communication- 2000
- MA - Interpersonal/Organizational Communication - 2001

About Me

I lived in Dwight and attended Dwight Grade School from kindergarten through 7th grade. At that time, my family moved to Mazon and I graduated 8th grade from MVK and then attended Seneca High School. After college and spending some time in Bloomington and Coal City, my husband and I moved back to Dwight in 2009. We have two children: Makenzie (2nd grade) and Natalie (1st grade). I currently work at State Farm Insurance Company as a Project Manager in Enterprise Technology.

I joined the school board because being a parent in the district, I have a vested interest in the well-being of the students, the staff and the school. I want only what is best for the students and those who are responsible for the students in regards to their education. I think Dwight Common School is a great place for children to grow and learn and I hope as a School Board Member, I can do my part to keep it that way.
