

## MEAL CHARGES

The District participates in CEP and provides meals to all students at no charge. The District does not provide credit for staff to charge for meals or for staff and students to charge for a la carte or other food and beverage items available for purchase in the school food service areas. A la carte or other food and beverage items may be purchased by either providing payment for the items at the time of receipt or by having a prepaid account with the District that may be charged for the items. Staff and parents, or students choosing to do so, may pay in advance for a la carte or other food and beverage items through any of the following methods:

1. Submitting cash or check payment to the food service office
2. Depositing funds through the District's online service.
