

Megan Hansen

Hello! I am an English teacher, a Special Education Paraprofessional, and the BeaverTale Yearbook advisor at BCHS. I am also a volunteer assistant coach for the girls basketball team. This year, I am teaching two sections of English II, one of English III, and one of English IV. I also help with the Youth Legislature program.

I grew up in Wisconsin and graduated in 2007 from Lake Holcombe High School. After that, I moved to Dillon and attended the University of Montana Western. I majored in English Literature and Writing with a Creative Writing minor and graduated in December of 2011.

In the fall of 2013, my husband John and I moved to Geyser, Montana, where we worked at Geyser Public School for four years. While there, I was the head junior high volleyball coach for three years and JV girls basketball coach for three years in the DGS co-op. I was also in charge of Geyser's Spirit Club for three years and made the yearbook my last year there.

In 2017, I started working towards my Master's Degree in Secondary English Education 5-12 through Western Governors University. After student teaching with Mrs. Paffhausen, I finished my Master's Degree in April of 2019. I love being back in Dillon! If you have any questions for me, please don't hesitate to contact me at mghansen@bchsmt.com!
