IMPORTANT SCHOOL MEAL NEWS

All students get meals at NO CHARGE in Crisp County School System the entire school year of 2020-21 as a result of CEP.

This means 1 meal for breakfast and 1 meal for lunch daily at no charge

BUT.....

Something that does not count as a meal or extra food items, must be paid for when it is purchased and cannot be charged to a student account. One example is **if your child brings lunch** and wants a milk or juice only. **The milk or juice must be purchased.** Another example is if your child just wants the sandwich offered that day or an extra sandwich along with the meal. **The extra sandwich or entrée must be purchased.** Any student coming through the lunch line gets 1 meal at no charge. This includes students who bring a lunch from home.

You can send cash or write a check (payable to that school and add SN. Example Primary= CCPS SN) to that school cafeteria and the cashiers will deposit it for your student to use for these items or the student can pay at the time of purchase. Please send all checks and cash to the cafeteria cashier. There is also a website that allows you to add money to your child's account for them to use. It is called Meal Pay Plus and is at <https://www2.mypaymentsplus.com/welcome>. There is a fee to use this website.

EXTRA FOOD ITEMS (not meals)
