

September 2021

Lights on for After School Oct.28th 4-6 pm

Join us as we celebrate our after school program. Open house in the MPR from 4-6 pm with stories, face painting, crafting, a steam challenge and fun!

Upcoming Events

- 9/28 & 9/30 Irrigator Spirit Activities
- Thursday 10/7 No After School Activities Parent Teacher Conferences 4-7pm
- 10/28 Lights on for After School - Open House...everyone welcome!

A Note From the Coordinator

I am so excited that our program is off to a fantastic start! We have been completing homework, listening to stories, doing math & literacy enrichment, creative play and crafting. We have plans for STEAM activities in the near future. Special thanks to Mrs. Harmon and the WIT Coalition for providing water bottles for our program and Mrs. Waterland & Mrs. Stomprud for helping us get the Maker Space ready to go. Please remember to email Mrs. Carrier Mara.Carrier@k12.sd.us by 12:30 pm or send a remind message if your student will be attending.

Yours Truly,
Mara Carrier

After School Activities Coordinator
