

At **Floyd Jewett Elementary School**, all students are given an iPad or Chromebook to work with in the classroom. Reading is a big focus and is promoted in the younger grades through the Kids Read Now program. Elementary students are recognized academically and behaviorally by earning “Bulldog Bucks”, which they can use to purchase items at the school store. Encouraging family involvement in the life of our Elementary School is promoted through events such as Granola for Grandparents, Muffins for Moms, and Doughnuts for Dads. Elementary staff place community outreach as a priority, supporting our families in need through our Boots For Kids Program and generating community support to provide much-needed supplies during the holiday season.
