

This is my third year of teaching at MECSD! I am one of the two English as a Second Language teachers for our school district. I work at both the middle school and at Homer Brink. My job is to teach and support students who are learning the English language! It is a very fun job and the students I get to work with are so amazing!

I love spending time with my husband and baby girl when I am not at school. They are the highlight of my day. 😊

- Do you have a hidden talent?

I am getting pretty good at holding my baby in one arm and doing everything with my free hand.

- What would your students be surprised to know about you?

I grew up in a big family. I have 8 brothers and sisters.

- How do you spend your summer breaks?

I love spending time outside with my family and dog! I also love reading when I have the time.

- What are your 3 “trapped on a desert island” items you’d have to have with you?

Hm.. I would have to pick a jar for collecting water, a knife, and maybe some matches? I would not survive on a desert island, to be honest...

- Do you like to cook? If so, a favorite recipe to share?

I like to make charcuterie boards. That doesn't really count as cooking, but they are a lot of fun to make! I like to add cheese, meat, veggies, fruit and a little chocolate. Yum!

- What is the funniest thing a student has ever said to you?

A little kiddo in EK thought my name was "Mr. Cowboy" when I first started teaching. I will never forget that!
