Greetings Community Members, Parents, and Students,

To begin, thank you for all of your support to our athletes and athletic teams so far this school year. Having you participate in, attend, volunteer, and encourage the success of Comet athletics is very important to our programming.

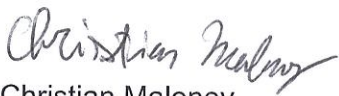

Recently, the MSAC as a whole has incurred some issues with inappropriate sportsmanship. At games, there has been taunting, yelling, inappropriate language, and general rude attitudes by various people in the crowds. Of course, we want our Coleman Comets to always represent our community well.

Something to keep in mind while at games is to never direct any comments to players, coaches, and officials that are involved with the game. If you have something that needs to be addressed, please reach out to the coach and/or athletic director no sooner than 24 hours after the event.

Our intent with this communication is to bring your attention to the issues, so that we have nothing but positive sportsmanship from our players and fans at our contests both home and away. Good sportsmanship is a precursor to good citizenship. We all are trying to support and raise this next generation to be good citizens and future community leaders. Setting an example for them in the area of good sportsmanship will help them to become just that.

If you have any questions, please feel free to contact us.

Thank you,
