Visit College Board

Sign in using your *Username* and *Password* or click on *Don't Have an Account?* **Sign up.** You need a personal email to register for an account (not the school wtsdnj account-this is NOT an email).

1

Can't remember if you have an account?

If there's any chance you have already created a College Board account, don't make a new one. Multiple accounts can make it difficult to get your PSAT/NMSQT score, and other important information. Instead, retrieve your credentials by using our [Forgot Username](#) or [Forgot Password](#) tools.

Log in

Once you have an account, log in to student score reports to see your PSAT/NMSQT score report and scores for any other tests you've taken in the SAT Suite of Assessments (PSAT 8/9, PSAT 10, and the SAT).
