Dear PTO Members & Claremont Families:

It's that time of year again when we reach out to request volunteers for the next school year's PTO Executive Board and Committee positions.

Each school year, the PTO has many dedicated volunteers who generously give of their time and effort to raise funds in support of the educational goals of our school, organize special events, and contribute to the smooth operation of the organization. In fact, our volunteers often take on multiple roles to fulfill the many needs of our organization.

There are a variety of positions and committees that are in need of volunteers and it is extremely important that we fill all positions to insure a smooth transition for the upcoming school year. We encourage you to participate in the year ahead and join our efforts to make a difference in the learning experience of our children.

Attached are the PTO Committee List and Volunteer Form. Please complete the Volunteer Form and return to school **no later than February 15, 2023**. As a reminder, if you are currently serving on the executive board or chairing/co-chairing a committee, we kindly ask that you complete and submit the Volunteer Form if you would like to be considered for the same role in the new school year.

If you have any questions or would like additional information, please feel free to contact me directly or any of the PTO Executive Board members listed below.

Thank you in advance for your participation!

Sincerely,

Jessica McNerney
