6919 E. 10th Street, Building C Suite 2, Indianapolis, IN 46219  
Vaccinateindiana.org ▪ 317-628-7116 ▪ clinic@vaccinateindiana.org

Dear Parent or Guardian,

On October 8th, from 9-1, the Indiana Immunization Coalition (IIC) will be onsite at WCHS/DMS to host an immunization clinic during the school day for students. **Please take advantage of this opportunity for your student to get caught up on their immunizations if they are behind on their state required vaccines.** This is an optional service. If you do not want your student to participate then please do not complete the online registration.

Students who participate in the clinic will be vaccinated with all recommended vaccinations that are due at the time of the clinic. The IIC will look up your student's immunization history, so they know what immunizations your student is due for. Vaccines that may be administered include DTaP/Tdap, Hepatitis A, Hepatitis B, HiB, HPV, Influenza, MMR, Meningitis, Polio, Rotavirus, Varicella, Flu and Covid-19. If you want more information on what immunizations are recommended for your child, then please see the CDC Recommended Immunization Schedule for Children and Adolescents.

Of note, IIC will not initiate the Covid vaccine series without explicit parental request, but we will complete the Covid series if it has already been started. If your child has started the Covid vaccine series and you do NOT want them to complete the series, then please send an email to clinic@vaccinateindiana.org within 48 hours prior to the scheduled immunization clinic.

IIC accepts all insurance (commercial, Medicaid and Medicare), and can also provide immunizations for those without insurance at no cost.

If you would like to have your student participate in the immunization clinic, here at the school, then please complete the online registration form here:

<https://patients.vaxcare.com/registration>

**Enrollment Code IN65942.**

Please register by October 7th and your completed online registration will serve as confirmation of a scheduled appointment for your student to receive their immunizations during the school day.

\*Please note that the Indiana Immunization Coalition will vaccinate those students registered for the clinic with all ACIP recommended vaccines unless we are contacted for specific vaccine refusal at least 48 hours prior to the clinic via email clinic@vaccinateindiana.org or phone 317-628-7116.
