Parent Teacher Organization**

Backpack Program

The Viborg-Hurley PTO has started a backpack program. The purpose of the backpack program is to help children get nutritious and easy-to-prepare food they need on the weekends. Families need to sign up if they want their children to receive food through the backpack program. It is strictly a voluntary sign-up and remains confidential. No financial information is requested, and it is open to all students. Food is distributed on the last school day of the week. ***If your child has the backpack food in their locker from the previous week, they will not receive another "backpack" in their locker until they have taken the other home.*** If you're interested in receiving food through this program, please fill out the form below and return it to the Hurley or Viborg office Attn: PTO Backpack Program.

Backpack Program

I would like my child(ren) signed up for the Backpack program. I understand that this is strictly a voluntary sign up and will remain confidential.
