Photo/Video Release Form

Dear Families,

The Conneaut City School District would like permission to use photographs, video and student interviews as part of our district website, district social media and district publications, local newspapers, and public cable. Educating the public about the abilities and achievements of our students and the programs we offer to children and families in our district is one of our objectives. Please fill out the form below.

_____ YES, I authorize the Board of Education, its officials, employees, agents, etc., to utilize, release and or publish my child's photograph/image on the district's website and in ALL district social media and district publications including but not limited to: websites, Twitter accounts, newsletters, yearbook, district reports, and student newspaper.

_____ NO, the Conneaut City School District does not have permission to use photographs, video or student interviews of my child on the district website, social media or in print publications.
