

EDS **COHORT** SET FOR **SPRING, 2022** through **DECATUR ROE 39** ('Virtual')

- Courses are designed to develop a strong understanding of educational leadership and to provide a set of skills to prepare each candidate for leadership opportunities within the central Illinois area.
- Graduates of the EIU EDS program may qualify for the **School Superintendent Endorsement**.
- An EDS in EDL requires the completion of a Capstone Field Study Internship as part of the Superintendent Endorsement, which is a field based course that will engage the candidate in the application and analysis of research-based activities, in addition to projects related to school leadership.

EARN YOUR **SPECIALIST DEGREE** IN EDUCATIONAL LEADERSHIP (EDS)
