Dear Maple Avenue Elementary School Parents, Guardians, Students, and Staff,

This letter is to communicate that a member of the Maple Ave School Grade 2-3 Community has tested positive for COVID-19 today. Per standard protocol, please follow the recommendations as outlined in **PART 1** of the [self-observation guidelines](#) by the NH Department of Health and Human Services (DHHS). Please continue to come to school and self-monitor for [symptoms](#) for the next 14 days. No other actions are needed.

If you have any questions or concerns, please contact our nurse Roni Januszewski via email at [vjanuszewski@sau6.org](mailto:vjanuszewski@sau6.org).

Thank you for your continued efforts in keeping our schools and community safe during these times. We will continue to mask, social distance, and sanitize as directed by our [Matrix](#). Our top priority is to keep our students happy, safe, and in school. Please remember to complete the home screening tool daily, and if your student is not feeling well, please keep them home.

Sincerely,

Handwritten signature of Nicole Bailey in blue ink.
