\*Many students keep healthy snacks in a small crate or pencil box in their lockers and take it home to be re-filled weekly. Check with your classroom teacher for more specific guidelines. *Please no cookies, candy, chips, gum, etc. or beverages other than water!* **All snacks must be nut free.**

+The school has invested in a supply of Norwex cleaning cloths that can be washed and reused to help cut down on the use of disposable cleaning products.

## *Where are the folders, crayons, markers and colored pencils?*

We had a large number of brand-new folders, black pens and crayons as well as some markers and colored pencils donated to the school. We were able to remove many of these items from several class supply lists for this school year!  
(And we still have a few left-overs)

The school has a supply of donated backpacks and other basic school supplies – if your child needs a new backpack this year or you need help with any other supplies on this list, please let us know; we are happy to help!

**Fourth Grade – Mrs. Stutzman**
