

**State of Ohio Legal Immunization Exemption
per Ohio Revised Code § 3313.671**

Ohio Revised Code Section 3313.671(B)(4) states that a pupil who presents a written statement from his parent or guardian in which the parent or guardian objects to immunizations for reasons of conscience, including religious convictions, is not required to be immunized.

Ohio Revised Code Section 3313.671(B)(5) states that a child whose physician certifies in writing that such immunization against disease is medically contraindicated is not required to be immunized against that disease.

___ I hereby decline to have my child immunized against the following disease(s) and/or with the following vaccine(s) for reasons of conscience, including religious convictions:

___ Attached is a signed statement from my child's physician stating that immunization against the following disease(s) and/or with the following vaccine(s) is medically contraindicated and my child is not required to be immunized against the following particular disease(s):

___ DTaP/Tdap (Diphtheria, Tetanus, Pertussis)	___ Polio	___ Meningitis
___ MMR (Measles, Mumps, Rubella)	___ Hepatitis B	___ Varicella (Chicken Pox)

I understand that during the course of an outbreak of chicken pox that the student named herein may be excluded from school for the duration of the outbreak if the student has not been vaccinated. This action is necessary not only to protect the named student, but the remainder of the students and all employees of the school.

___ I hereby state, or I have attached a signed statement from my child's physician, that my child had the natural form of the following disease(s) and is, therefore, not required to be immunized against the disease(s):

___ Rubeola	___ Mumps	___ Chicken Pox
