

# LEGACY SOCIETY

What will be the costs associated with Christ-centered education in the years to come?

The Legacy Society is an opportunity to celebrate our biblical calling to enrich community and meet the needs of others in their seasons of life. What a great opportunity we have as Christians to be a blessing today, tomorrow and forever.

The Legacy Society is an honorary group that provides a means by which the Lutheran Education Foundation can say “thank you” during life, for generous intentions and plans established now that

are not likely to materialize during a person’s earthly sojourn. Those who have chosen to be recognized have done so for the purpose of encouraging others to discover their legacy of generosity.

The Legacy Society is a group of donors with a passion for Christian Education. They have designated a gift to the Lutheran Education Foundation in their estate plan through a bequest, life insurance, transfer of real estate or other appropriate planning tool.

Anyone who chooses to donate to Lutheran Education Foundation through either a planned or deferred estate gift is automatically eligible for membership in the Lutheran Education Foundation Legacy Society.

Membership in the society will include:

- Celebration and recognition in publications such as newsletters, annual reports, and on the LEF website
- Invitation to recognition events for all members providing an opportunity to network and celebrate their support of the Lutheran Education Foundation
- Advocating for the society – refer/recruit additional members when possible and appropriate

Members will receive ongoing information regarding planned gifts and available opportunities.

Members and other information listed on next page.

“We are very passionate about Lincoln Lutheran. When Lincoln Lutheran expanded to include high school the Lord “tapped” us on the shoulder and said we were to send our three daughters. We questioned how we could do it with tuition and driving 60 miles each day. But the Lord provided!

Our current and lifetime giving through gift planning is a statement about what God has done and a gift of gratitude.”

Mark and Kathie Divine
