

**ARKANSAS DIVISION OF ELEMENTARY AND SECONDARY EDUCATION
MINORITY TEACHER AND ADMINISTRATOR RECRUITMENT**

Pursuant to Ark. Code Ann. § 6-17-1901, et seq., school districts and charter schools with more than five percent (5%) African-American or other minority students must prepare and submit annually a Minority Teacher and Administrator Recruitment Plan to the Equity Assistance Center. Plans must include, but not limited to the following:

- Place emphasis on recruitment of African-Americans and other members of minorities for teacher and administrator positions and emphasis on encouraging minority students to pursue a career in education
- Set forth a goal of developing equity in employee composition that reflects racial and ethnic diversity and is at least equal to the percentage of minorities of the district or charter school
- Describe recruitment goals of minority teachers and administrators for the next school year and for the next ten (10) school years
- List steps taken and measures that will be used to meet recruitment goals including how minority students are encouraged to pursue a career in education
- List progress made in recruiting minority teachers and administrators
- Describe reasons for not meeting established recruitment goals, if needed
- List the number and percentage of members of racial minorities who were employed as teachers or administrators in each of the last five (5) years
- List the racial composition of the student body and residents of the district or charter

Cossatot River School District Minority Teacher and Administrator Recruitment Plan

Why is there a Minority Teacher and Administrator Recruitment Plan (MTARP)?

School districts with more than 5% minority student population must create and submit a Minority Teacher and Administrator Recruitment Plan to the Equity Assistance Center (EAC) within the Arkansas Department of Education annually to be in compliance with the Standards of Accreditations.

At CRSD our minority Hispanic student population is 27.92%.

What is the purpose of this plan?

The goal of creating a Minority Teacher and Administrator Recruitment Plan is that employee composition reflects racial/ethnic diversity and that minority teacher/admin. percentage will at least be equal to the minority student population. For example, at CRSD, 27.92% of our student population is Hispanic. So, our goal is to employ Hispanic teachers and administrators as close to 27.92% as possible. Currently, 3.73% of our certified teachers are minority (Hispanic).

What are some of the main goals in this plan?

In this plan, CRSD has to list short term and long term goals. The most important goal in the CRSD Minority Teacher and Administrator Recruitment Plan is to encourage minority students to pursue careers in education and then return to CRSD as employees.

Cossatot River School District

Minority Teacher and Administrator Recruitment Plan

Ark. Code Annotated 6-17-1901 (Aupp.1991)

District goals

The Cossatot River School District will file an annual plan with the Equity Assistance Center each school year. Each year the district will recruit minority teachers and paraprofessionals by advertising job postings using TalentEd, the CRSD website, social media, and the Arkansas Association of Educational Administrators (AAEA) jobs posting site as well as the Arkansas Democrat Gazette, The Pulse, and The Mena Star. Minority high school graduates will be encouraged and recruited to enter the education field. Currently, scholarships at Cossatot River High School are available for students entering the field of education. Minority students will be encouraged to apply. The district utilizes the Xello software for career information, exploration, scholarship, and college searches. The goal of the district is to build a strong ESOL program to enable LEP students to achieve proficiency in the English language with greater success which will be reflected in their academic achievement.

Steps to meet district goals in recruitment

1. A minority recruitment coordinator will be designated by the superintendent to implement the recruitment plan.
2. Technical assistance will be sought from the Department of Elementary and Secondary Education (DESE) in areas of implementation and ongoing procedures.
3. Information will be collected annually in each school in the district to determine ratios between student enrollment and number of teachers/administrators and in respect, a goal of equity will be established between teachers, administrators and minority students.
4. Advertisements for teachers and administrators will be published in the Arkansas Association of Educational Administrators (AAEA) jobs database website as well as the Arkansas Democrat Gazette, The Pulse, The Mena Star, the CRSD website, and social media.
5. In addition to minority recruitment of teachers and administrators, minority paraprofessionals will also be recruited to assist in tutoring ESOL/LEP students.
6. Create a more inclusive environment by providing an ESOL night annually to provide information and give the parents and teachers an opportunity to get to know one another better. The goal of an ESOL parent night will be to create a more welcoming environment for parents and guardians.

Steps taken by district to encourage minority students to pursue careers in education:

1. Appropriate career orientation in education careers will be presented on each grade level for all students.
2. Recruitment programs from colleges/vocational schools will include students who are in the five percent minority enrollment.
3. Minority students will be encouraged to participate in clubs promoting careers in education. Ex. Upward Bound
4. Minority students will be encouraged to participate in college orientation/visitation day programs with emphasis on the programs for teacher training.
5. Colleges/Universities, Migrant Education personnel at educational cooperatives and the DESE will be contacted by the school district each year to update the post high school training/college programs available to minority students who graduate from high school. Ex: Colleges which have programs for ESOL/LEP students.
6. Minority students will be recruited to participate in dual credit courses with high school/community colleges.
7. Parental engagement will result in more effective communication with all students' educational careers, which will be available to the high school graduate. All student information sent home for parents will be provided in the students' native language.

Residents in District

The Cossatot River School District is a consolidated district comprising the cities of Wickes, Vandervoot, Cove, Grannis, and Umpire. The district consolidated in 2010. Over 95% of the students are transported by bus and live in the outer surrounding rural area. A majority of the parents' work in the Tyson Foods and Pilgrim's Pride poultry industries. A small percentage of the patrons work in the timber industry. Presently, 100% of the students are receiving free breakfast and free lunches in a Provision 2 Program.

Short-term Goals

1. As changes in personnel and minority student population rise each year, efforts will be made to employ teachers and administrators who will assist the school district in obtaining a balance of racial equity between students and school personnel.
2. All students and their parents will have equal access to academic and career information to aid them in choices. Parent Involvement Centers will be located in each school library which will include academic and career information.
3. Interpreters will be available to assist the ESOL/LEP student population in school activities.
4. Technical assistance will be sought to assist the school in providing services to all students in the district.
5. Educational Careers will be promoted by encouraging minority student to participate in dual credit college classes offered to students on the district campus.
6. Secondary students in grades 9-12 will be encouraged to take college preparatory courses.
7. Minority students who are junior and seniors will be encouraged to participate in the college entrance exam program.

Long-Term Goals

1. Employment records for a period of five years will reflect the effort to attain a racially balanced student teacher, and administrator ratio in the district.
2. Efforts will continue to improve parent communication with minority parents concerning academics and career information.
3. Increase the employment of ESOL certified teacher and administrators. Presently there are 17 teachers who are ESOL certified and two teachers, one counselor, and one administrator who are currently attending an ESOL Institute to obtain certification.
4. Recruit minority high school students to obtain degrees in education and return to the Cossatot River school district to teach.

Methods of Monitoring and Evaluating the Minority Plan

1. Surveys and comparisons of student and teacher/administration racial population will be conducted for a period of five years.
2. School district APSCN reports will be reviewed for a period of three years.
3. Records of school activities will be reviewed each year to determine the types and quantity of career programs the school has offered in which minority students participate.
