Administrative Report by Ms. Ciarrocca:

- Ms. Ciarrocca welcomed all to the new Board Room;
- We are less than a week away from the first day of school on Wednesday, September 1. District administrators held a live-streamed community meeting yesterday to answer key questions about our return to school posed by community members on a Google form. That is currently posted on our district website for parents to view at a time convenient to them.
- Our teachers will return on Monday, August 30 for two full days of meetings, professional learning, and classroom preparation. The NBTECC program has completed its move to our new Linwood campus location. NBTECC and all of the elementary schools will be holding Preschool and Kindergarten orientations on Tuesday, August 31. Check your child's school-specific website for exact times.
- I would like to take this opportunity to encourage community members to consider applying for open positions we may have in the district. We have openings for daily substitute teachers, custodians, and building and grounds and maintenance crews. These last few are full-time positions that provide benefits and are part of the state pension system and would be a great opportunity for anyone in the community who might have students in the district and be looking for a stable position.
- The township has also reached out to let us know is also a great need for crossing guards so please reach out to the business administrator's office in the municipal complex on Hermann road for an application if you are interested.
