9/30/21

Norman County East Families,

Thank you so very much for your support of our masking requirement. We went from 10 positives per week to 2 in a week! That being said, we have a high number of cases in the county and continue to see community transmission.

Our goal is the same as yours, we want our kids healthy and in school. Thanks to all of you, we have been able to show that masks are very helpful in slowing the spread and reducing the number of kids out of school for covid related isolation and quarantine.

We will continue to monitor our local data to help us determine next steps. At this time, we will continue with our masking requirement through October 8<sup>th</sup>. We will review our data again next week to help us to make future decisions.

Again, we can't say thank you enough! Your support of our school is nothing short of amazing and we are thankful for you all.

Sincerely,

Rob Nudell  
Superintendent

Dustin Flaten  
High School Principal

Tracy Johnson  
School Nurse
