

## SUPERINTENDENT'S MESSAGE

### Why Winterset High School is a Great Investment in our Kids' Future

While most people assume that public education isn't a competition between other public schools and the ever growing number of private schools, that simply is not the case. I have had the opportunity to work in 4 districts during my career in education spanning 20 years, and I can attest to the fact that not all schools are created equal. We are fortunate to live in a community with a quality educational program that is second to none. As the superintendent, I feel it is our job as a school district to

provide outstanding opportunities for our students around what I call the 5 A's; Academics, Activities, Arts, Athletics, and Attitude. I would like to take some time to share with you what Winterset High School is currently offering our students in these 5 areas.

#### Academics:

Winterset High School (WHS) offers a robust curriculum that provides students the opportunity to earn numerous college credits while still attending high school. The credits that they earn don't cost the students tuition allowing them to get a jump start on their college education for free. Depending on the year and students

preferences, WHS offers between 147-161 college credits from DMACC. During the 2019-2020 school year alone, our students earned 2463 DMACC credits and saved an average of \$2,247 per student in tuition. Most of the concurrent enrollment college courses are taught in house by WHS staff members who, due to their advanced degrees, meet DMACC's requirements to teach the courses for college credit. Seventeen high school teachers have obtained their Master's degree and one just completed their Doctorate. The courses offered for college credit at WHS are available in every academic area.

Students at WHS have the opportunity to choose from 37 different Career and Technical Education (CTE) courses providing them with real world experiences within various Industrial

Tech, Agriculture, Business, and Family and Consumer Science fields. In addition, to the courses that are available to students there are numerous work-based learning opportunities for our students to explore through the (MOC) program. Students are able to gain real-world experience and are paid for the hours they work during the day throughout the community. This semester alone we have 23 WHS students who are gaining on-the-job experience through the MOC program.

#### Activities:

Students at WHS have the opportunity to get involved in 20 clubs during the year. The largest club/organization is the WHS Student Council that has over 70 student members. During the 2021-2022 school year the WHS Student Council received the State Honor Council

Award for their efforts as a club. Student clubs and organizations provide students with opportunities to gain valuable leadership skills that will help them be better prepared and marketable for future job opportunities. Almost all of the clubs and organizations are led by the students themselves. WHS is always looking for new ways to get students involved and allow them to follow their passion with regards to additional clubs and organizations. During the 2021-2022 school year debate was added as a club, and we had students place 5th in the State Debate Tournament during our first year participating in debate in several years. We know that when students are allowed to lead and work with their peers, they are gaining valuable skills that transcend the classroom.

#### **Arts:**

Winterset High School has a long and storied history of providing an outstanding fine arts program for our students. Students are able to participate in Marching Band, Jazz Band, Jazz Choir, and other musical ensembles. During the 2021-2022 school year the Marching Band earned a Division 1 rating at the State Marching Festival and the Jazz Choir also received a Division 1

Rating at the State Jazz Choir Festival. We had 10 students qualify for IHSMA All-State Band and/or IHSMA All-State Choir. Three WHS choir students were selected to sing the National Anthem at the 3A Boys State Basketball Championships.

The WHS Dance Team has had a long history of success, which continued during the 2020-2021 campaign as they placed in the top 3 in every division that they entered at the State Dance Competition. The WHS Dance Team finished 1st in Military, Pom, Novelty, and Hip Hop at MA Regional Dance earning them a tie for 1st in best overall team and 1st best overall small team.

Students at WHS are also able to participate in a drama program that puts on two major productions each year consisting of a musical and play. Students are able to demonstrate their talents as actors and musicians as they take on numerous roles combining their musical abilities as well as their acting abilities.

#### **Athletics:**

Students at WHS are able to participate in 17 varsity sports while in high school. At WHS we consider athletics as an extension of the classroom where students learn important life skills such as team work, how to overcome

adversity, and how to work together towards a common goal. The 2020-2021 school year was once again tremendously successful for our athletic programs. We had 5 teams qualify for the state tournament: girls cross country, wrestling, boys golf, softball, and baseball. Numerous student athletes were named to all-conference, all-district, and all-state teams. We had several student athletes qualify for state meets and competitions in their respective sports. We had a track athlete win her event at the state track meet becoming our lone state title winner this past school year.

We know that when students are engaged in extracurricular activities such as athletics, fine arts, and other activities they are far more likely to graduate, and less likely to engage in unsafe behaviors. During the 2020-2021 school year, we had 83% of our students engaged in an activity.

#### **Attitude:**

Living in Winterset and attending WHS is a privilege that is often taken for granted. Small town values such as hard work and perseverance are still alive and well at WHS. Students at WHS are able to learn from their peers in a safe supportive environment that allows them to see

varying perspectives. Students at WHS support one another by attending each other's extracurricular activities and events. One of our greatest traditions is the singing of the school fight song following all of our varsity events. Win or lose, we support our Huskies. While attitude is hard to measure, it reveals itself in how we deal with setbacks and learn to overcome them. We see our attitude reflected back at us in how we interact with others. Our efforts to implement Capturing Kids Hearts processes allows our staff to model each and everyday how to positively interact with each other to create self-managing groups.

I know this article is a bit long, and I only scratched the surface on some of the great things happening within our district. I hope that you can see that when it comes to public education: Winterset High School is a great investment in our children's future. There is a reason that students want to come back and live in Winterset, and I would argue that it is due in large part to their experience as a student within our district.

# HOMECOMING 2021: LIFE IS SWEET

### FFA News

As the second month of school wraps up and October starts things in the ag room are just getting started. On Tuesday September 21, 2021 11 members of the FFA chapter took the trip to Osceola, Iowa for the South Central CDE Day. There all of the members competed in livestock judging where they had to judge heifers, bulls, sheep, goats, and pigs. Four of the members were in the advanced livestock judging group and had to give 2 sets of reasons on why they placed the animals where they did, while the other members were asked questions about the animals not using any notes. Then on Wednesday the 22nd the officer team had a meeting with our fruit sales representative to get our fruit sales ready. Be sure to watch out when our members start selling on September 28th! Our goal is for every member to sell \$500 in fruit and cheese. Again, this year we will be holding a Drive in Movie! There we will have a pumpkin carving, coloring sheets, and our FFA popcorn stand. There will be a separate kids movie and adult movie. Watch for more information on our social media pages!

Respectfully Submitted,

Gracelynn Brown  
Chapter Reporter

### Winterset Student Council

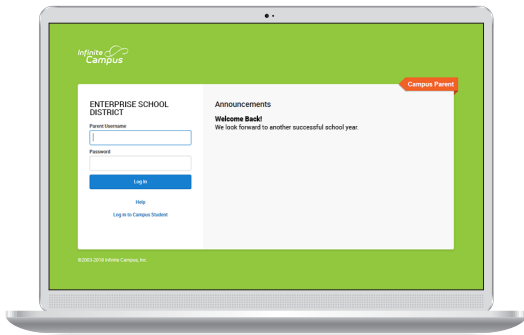

2021 Homecoming, “Life is Sweet” was definitely sweet. Important traditions like the dance and the parade were more successful than ever this year. Students were able to participate in spirit seminars with decorating, a color war, and various other activities at each building in the district. 3 different assemblies were held by the senior athletes, band, & cheer squad. Student Council is also working hard to plan new activities that give back to the community and promote school spirit while keeping favorite ones. Currently there are over 80 members in this student led group. Student Council is always taking new applicants; sign up is easy!

### Winterset Silver Cord

Winterset Silver Cord is a service organization where students choose their service projects and then log hours in a computer program. Each year they aim for 40 hours for a total of 160 hours upon graduation. After completion, silver honor cords are given. The organization also awards certificates for 50 & 100 hours. Currently there are over 150 students participating. If you have volunteer opportunities, please contact Advisor Jess Gibbons @ [jgibbons@winterset.k12.ia.us](mailto:jgibbons@winterset.k12.ia.us) Also email if you are a student and would like more information to join.

## INFORMATION SENIORS SHOULD KNOW

Iowa's three public universities (Iowa State University, The University of Iowa, and the University of Northern Iowa) will maintain their minimum high school course requirements for admission for incoming freshmen; the Regent Admission Index (RAI) will replace their traditional upper-half class rank requirement.

The universities will compute an RAI score for each applicant that will be based on the student's high school grade point average, percentile class rank, ACT or SAT scores, and the number of years of core courses the student will complete in grades 9-12. Detailed information concerning the new admission requirements may be found online at [www.state.ia.us/regents/RAI/index](http://www.state.ia.us/regents/RAI/index)

- All seniors should have had a conference with Mr. Seufert. At this interview your individual folder was reviewed and updated. Your folder is also your transcript, so it is important that it is up-to-date before college applications are sent. If you have not met with Mr. Seufert, please come in asap. Juniors should be meeting with Mr. Seufert now.

- Seniors should be aware of the ACT's which will be administered here on Saturday, October 23rd. The deadline was September 17th. Late registration deadline is September 18 – October 1 (with late fee). The next ACT held at WHS will be on December 11th.

- Juniors & Seniors! Please pay attention to the guidance page on the school's website and morning announcements. Messages concerning college visits and scholarship information will be online, in

the announcements and posted on the school's Facebook and Twitter pages.

- Seniors must be aware of the deadline for applying at certain colleges. Some select colleges have a deadline of Dec 1. Please check in the Guidance center and we will help you find the deadline dates. You are encouraged to visit a college of your choice. Follow the proper procedures as outlined in your student handbook.

- BEWARE of scholarship search and financial aid service organizations that charge a fee for service. Much of the information you may be seeking is available at no cost. Check with Mr. Seufert or search for free on the web site [www.collegeplanning.org](http://www.collegeplanning.org).

lege visits are subject to approval by the principal. Seniors wishing to make on-campus visits must pick up the proper form from Mrs. Wetzel two (2) days in advance of the visit. Seniors must have all of the signatures necessary and their work made up in advance for the visit to be approved. A college representative must sign the form during their visit. The form must be returned to the office immediately after the visit. ## TESTING, TESTING, TESTING

There are a lot of tests given during the fall.

The ACT's will be given here in October, December, February, April and June. These are four, 35-60 minute tests in academic areas of english, mathematics, reading, and science reasoning. Colleges in the Midwest, West and South commonly prefer the ACT's. Students receive four separate scores plus a composite score. Now most schools will accept either the ACT or the SAT. You MUST pre-register for the tests at [www.act.org](http://www.act.org).

The PSAT/NMSQT test will be given on October 13th to high school

juniors nationwide. We encourage sophomores to take them for practice. The PSAT is a useful indicator of scholastic aptitude as well as the basis of some merit scholarships. Also, the PSAT, administered by the College Board, is the source of some college mailings that you will receive. The cost of the test is \$18.00. See Mr. Seufert if you have any questions. Sign up in the office.

The Armed Services Vocational Aptitude Battery (ASVAB) is a multiple-aptitude test that covers eight areas including science, word knowledge, mathematics, and mechanical comprehension. It assesses a student's ability to learn new skills and is a predictor of success in training and education programs. The program is administered by civilian Education Services Specialists who have no recruiting function. The ASVAB is offered each fall, this year it will take place on November 4th. If you would like to take the ASVAB, please sign up in the office.

## CRISP Winter Wear Program

Is your child in need of a winter coat, boots, snow pants, hat or gloves for the upcoming season? If this will be a hardship for you or your family to provide, please call Community Resources in Service to People (CRISP) at 515-462-9400. CRISP has a good selection of new and gently worn winter wear items. **PLEASE CALL FOR AN APPOINTMENT BEFORE STOPPING IN** so that we may limit the number of people in the

office at one time and better meet your needs. If you are in need of assistance, but are not a current CRISP client, please contact us for information on how to access CRISP services.

## C.R.I.S.P. Nuts & Candy Fundraiser

It is nuts and candy time again at C.R.I.S.P.! This is our main fundraiser and we need your help! C.R.I.S.P. relies on donations and fundraisers, such as this, to support ALL of our programs and operations. Funds help us to provide our basic programs (School Supplies for Kids, Winter Wear for Kids and Christmas for Kids) as well as assist families facing crisis situations (such as homelessness, utility disconnect, food insecurity). Please help us to continue these efforts! Visit our website at [www.wintersetcrisp.org](http://www.wintersetcrisp.org) to view the Terri Lynn nuts and candy brochure and to print your order form OR call the C.R.I.S.P. office at 515-462-7009. Please submit orders and payment to C.R.I.S.P. by October 16th. Thanks for your consideration!

### WES Teachers & Staff

The teachers and staff at WES have done an amazing job implementing Capturing Kids' Hearts! This first month is all about building relationships and a safe learning environment. We are so excited for the 21-22 school year!

## CKH Focus Trait

### Empathy

Empathy is the ability to be aware of, understand, and be sensitive to another person's feelings. Instead of focusing how these feelings impact ourselves, empathy motivates us to focus on others and respond with care and compassion.

## What is happening in Guidance?

Kindergarten

1<sup>st</sup> Grade

2<sup>nd</sup> Grade

3<sup>rd</sup> Grade

This year, Guidance class looks a little bit different. Instead of students coming to my classroom during their specials time, I get to go to their classroom! I am very excited about this change because your student's teacher will be in the room listening to the lesson too. This will help our students practice the skills that they learn in Guidance in the classroom setting throughout the whole day. We all know the more we practice, the better we get!

This month students will be learning about empathy (the CKH Focus Trait). We will be practicing noticing empathy, showing others empathy, exploring others' perspectives, respectfully accepting others' perspectives, and listening to understand.

At home, help your student identify how other people may be feeling. Help them understand that when they can imagine how someone is feeling, they have empathy for that person. Ask specific questions like, "how do you think that person feels?" "What do you think it would be like living in their situation?" Discuss some things you can do to show someone that you understand their feelings and want to help them. Bonus points if you put your plan into action! Some ideas could be donating to animal shelters or food banks, helping carry groceries, helping keep our parks clean, etc.

CAPTURING KIDS' HEARTS ► RESOURCE FOR FAMILIES

# Llevándola a casa: Empatía

La empatía es una habilidad que apoya todas las otras habilidades- es esencial al desarrollo de cada uno de nosotros. Este mes, nos estamos enfocando en la empatía y estamos desafiando a los estudiantes que se aseguren de que todos con quienes interactúan se sientan vistos, escuchados, y apreciados. Queremos asociarnos contigo para cultivar y desarrollar la empatía en tus estudiantes en la casa también. Como familia, usa estas actividades para reflejar en como amar y respetar mejor a ustedes mismos y a otros.

## 1. CAPTAR

**Plato de Afirmación.** Designa un plato como el “plato de afirmación” en la cena. Si sea posible, elige un plato que es de un color divertido o que tiene un diseño curioso para que se destaca. Pásalo por la familia y asegura de que alguien diferente lo use cada noche. Cuando alguien tiene el plato, el resto de la familia le da afirmaciones a esa persona...y muchas!

## 3. EMPLEAR

**Paseo del Barrio.** Como familia, escriban unas notas de edificación para dar ánimo o para afirmar a la gente de su comunidad. Den un paseo en su vecindario o edificio de apartamentos y dejen estas notas en parabrisas, en puertas, o en buzones para diseminar unos rayos de sol.

## 2. EMPODERAR

**Contrato Social Familiar.** Fija un tiempo para tener una junta familiar y desarrollen juntos un contrato social familiar:

- ¿Cómo queremos tratarnos unos a otros?
- ¿Cómo queremos tratarnos unos a otros cuando hay un conflicto?

Escribe las palabras que identifican como una familia (respetar, bondadoso, honesto) y pregunta a cada miembro que se comprometa al contrato con firmarlo.

### INICIADORES DE CONVERSACIÓN

- Describe un tiempo cuando alguien verdaderamente te escuchó cuando estabas triste, enojado, o solo. ¿Cómo te hizo sentir?
- ¿Qué es algo que puedes hacer escuchar mejor a otros?
- ¿Cuándo es lo más difícil de escuchar y tener la mente abierta?

# Taking it home: Empathy

Empathy is a skill that underpins all other skills - it's vital to the development of each of us. This month, we are focusing on empathy and challenging students to ensure that everyone they interact with feels seen, heard, and valued. We want to partner with you to grow and develop empathy in your students at home as well. As a family, use these activities to reflect on how to better love and respect yourselves and others.

## 1. ENGAGE

**Affirmation Plate.** Designate one plate as the "affirmation plate" at dinner. If possible, choose a plate that is a fun color or has a funky design so it stands out. Rotate it around the family and make sure someone different uses it each night. When someone has the plate, the rest of the family gives that person affirmations...and a lot of them!

## 3. EXCEL

**Neighborhood Walk.** As a family, write a few notes of encouragement to uplift or affirm those in your community. Take a walk in your neighborhood or apartment building and leave these notes of encouragement on windshields, doors, or mailboxes to spread a little sunshine.

## 2. EMPOWER

**Family Social Contract.** Schedule time to have a family meeting and develop a family social contract together. Ask all members of the family to discuss:

- How do we want to treat each other?
- How do we want to treat each other when there is conflict?

Write down any words you identify as a family (respect, kind, honest) and ask each member to commit to the contract by signing it.

### CONVERSATION STARTERS

- Describe a time when someone really listened to you when you were sad, angry, or lonely. How did it make you feel?
- What is something you can do to better listen to others?
- When is it most difficult to listen and be open-minded?

**THANK YOU FOR YOUR ORDER!**

For the past eight years (or so), we have sponsored a winter coat giveaway for residents of Dallas County and surrounding counties. In a combined effort, Adel Rotary, St. John's Knights of Columbus, Adel Women's Club, and Adel First Christian Church have purchased over 200 winter coats, hats, and mittens to distribute. Then we have collected gently used coats for backup. On a set day, October 9th this year, we hand out the coats to anyone who comes. Last year we gave out more than 250 coats in only a couple of hours.

Ann Cochran suggested that you might be able to help us get the word out to people who could use this service. We have all sizes from infant to adult 3XXX. Publicity is always challenging. We notify schools, food pantries, and post flyers in as many places as we can think of. I contact Adel Positivity, Adel Advisor, and KDLS. If you have suggestions or can reach people on our behalf, we would certainly appreciate it.

The giveaway is Saturday, October 9th from 9:00 to 11:00 at Adel First Christian Church (corner of Nile Kinnick Drive and Rapids Street). We help everyone who comes to us for as long as our supplies last.
