

SEPTEMBER 30, 2021

PRINCIPAL'S CORNER

It's hard to believe we're into October already, which means we're finishing up our fifth week of school. The students are doing a great job following the teachers' guidelines about staying safe, and the teachers are doing a great job using the new situations we're in as a starting point for a new way of educating our students, and as importantly, making them feel safe and welcomed.

Please be sure to have your students here by 8:30am, with the new systems we have in place it really complicates things when they are late. We know things happen from time to time, but please shoot for 8:25am. If students come in after 8:30am, make sure they check in with Laurie in the office. We also appreciate everyone who has turned their paperwork in on time, whether it's a permission slip for our hike on October 7th, or the consent for the rapid COVID testing, it's all important.

To repeat a couple of points about the drop-off and pick-up line: please wait for the cars in front of you to leave before you pull out, unless directed by a staff member, and it is **ILLEGAL** to pass the bus when the red lights are flashing and the STOP sign is extended from the driver's side. Please let me know if you have any questions that I can answer about this (or anything else).

**** Please note: The newsletter will now be on-line and emailed. We will not have hard copies to send home to families!**

*Whole Wheat

K-6 SCHOOL HIKE AT THE ROWE PARK

On Thursday, October 7th we will be having our annual all school hike for grades Prek-6. This year we will be hiking in age appropriate groups around Rowe Lake or hike to the top of Adams Mt.

Students will be walking from the school to the park where we will break up into separate groups depending on the age of the students.

Please sign the permission slip that will be coming home today with your student. We need the permission slips back by Monday, October 4th.

Thank you.

****Please note: There will NOT be soccer after the hike on Thursday!**
