Heather Howell, Principal

October 1, 2021

Dear Aromas Parent(s)/Guardian(s):

Starting Monday, October 4th, we will be changing the morning drop-off point to improve traffic flow and address safety issues. We will be closing the gate to the blacktop area and moving the drop-off point to the gate used for dismissal. Please see the diagram below to assist you in visualizing the changes.

Please read the changes below carefully so we can have a safe and quick drop-off for students:

- Drivers will need to pull all the way to the main crosswalk in the bus lane to drop off students. Students will now be dropped off at the same gate as the dismissal gate.
- Students should be ready to disembark your car when it has come to a complete stop. This will help ensure a safe and steady traffic flow.
- If you need to assist your child in getting out of your car or truck, please park in the parking spaces and guide your child(ren) to the main crosswalk. This will also help ensure a safe and steady traffic flow.
- Students and parents walking from the parking lot area need to use the crosswalk to ensure safety.
- Students need to report directly to the blacktop area or to the cafeteria to eat breakfast. Students dismissed from the cafeteria need to report directly to the blacktop area.

Thank you for your assistance in helping our students get into school quickly and safely. If you have any questions or concerns, please contact me at hhowell@asjUSD.k12.ca.us or 831.726.5100.

Sincerely,

Heather Howell
Principal, Aromas School
