

9-16-21 Facility Meeting Minutes

Attendance: Matt Hill, Teresa Taylor, Todd Kilanski, James Rokes

Meeting started 5:10pm

Teresa gave update on the ESSER approvals

Matt spoke about Esser III HVAC projects: hall heaters, elementary common areas, locker room areas, office controls. James and Todd were both in agreement that finishing all HVAC would be a good idea so the school was all new in that regard. We will proceed with ESSER III HVAC projects

Matt stated the capital plan needed to be updated due to ESSER money used on HVAC projects that were on the original plan. Asked for input on items that could be pushed up, suggested playing field renovations and various equipment needed for equipment to maintain new fields. Fencing needed to keep vehicles off fields and ruining them. All agreed. Todd brought up Keene Knights football team wanting to use our fields for games, James will follow up with Lindsey H on status.

Matt gave an update on the Town of Winchester wanting to name school as emergency shelter. We need 3 quotes on generators, town will pay with ARPA funds. Plumbing in locker rooms needs to be fixed, this will be a school expense. James and Todd gave suggestions on various local contractors for plumbing, fencing, plowing, and roofers.

No "other" discussion. Meeting ended 6:25pm
